Welcome to ReachHalo: Access: Complete all levels of the game on Easy. With any difficulty, you can get one below. Why do this to yourself? Access: Enter Halo: Access laso campaign playlists Make sure you select a LASO playlist in the campaign area instead of starting a mission in LASO if you're solo/out when you die & Playlists & Continue & Start & Start, continue, final checkpoint instead of starting over. Enter the custom game with Sniper and put a scotch tape marked with your own personal artificial cross. If you have a classic cross, place another tape or change the settings, so when you zoom in and out of your artificial cross, still aim at the same spot on your screen. A plasma pistol will be your best friend due to the tilted skull. It will destroy the Shield of the Elite faster than usual, allowing it to fast track the head shot. I finished it December 8th and these videos in this guide helped me a ton. Although there is little change from their speed rush compared to your sprint, like the enemy who is not in the same position seems to die faster, is shot in the same position, speed runners are not shot at, etc. Step 3 Step 4. We're just getting started.
