Do you love the wild west? If surely you are going to enjoy this game! Sure, it's not as cool as Call of Juarez, but trust me it will test your reflexes really well. If no one has figured out what this game is about, I'll tell you. This game is about a Western-style duel! So, get your weapons and reflexes ready and let the challenge begin! The game as we already mentioned before this game is about a duel. And what's the duel about? It's about being faster and faster than your opponent. The same rules apply to this game. In order to defeat your opponent, you need to be faster and shoot them before they shoot you. The first few levels may seem simple, but believe me it can be really hard after four or five enemies. Some even have trouble beating another opponent. Well I'll be honest and say that the graphics are not the biggest, but I also say that physics works really well in this game. In conclusion, I say that if you love the wild west and duel you are going to enjoy this game. Game modes This game has only one mode. And this mode is with one player. We've already talked about how difficult this game is going to be. So the success of beating that single-player mode mate. How to Play Gun Blood Unblocked?
