Lesson 10.5 practice a geometry answers pages 563-568

Below are the printable tasks for Chapter 10. Notes from lessons are available from Powerpoint presentations. You can view this for review or if you're absent from the class, see your Powerpoint presentation for missed notes. Tasks/notes are organized into folders: chapter sections, reviews, and more. The section folder has Powerpoint lesson notes, Lesson Practice homework, and an answer key to check your homework. Other folders may contain other tasks or reviews.
