## Crosspoint church nashville live

During this time, we want to offer your family the opportunity to experience what your kids will be at Cross Point Kids on Sunday in case you're watching from home! Watch and engage with your kids as a family with this video. Print the activity if you can, and be sure to check out Parent Cue to combine what your kids are learning in their daily lives! We believe in the power of generosity, the power that it has in the lives of those doing giving, and for power must develop a goal that gives support. We believe that prayer is an essential part of every person's journey and development. At Crosspoint, we invite our church family to pray with and on behalf of others. All students, from 6th to 12th grade, are invited to contact God, other disciples, and committed leaders as we develop a community focused on development and community. Join us in the crosspoint kids service and experience a new world where children can meet Jesus on their level! All children (children up to 5th graders) are welcome!
