hello there! I want to shout big to L'Oréal for support this week! L'Oréal has been a big supporter of this blog and my family and their products are now regularly used in our family. Help support the blog by reading reviews! Costco is reintroducing a couple of products into stock including: Revitalift Triple Strength LZR Moisturising Day (read the review here); These skin care products are designed to keep your skin moist during the cold and dry winter months and are now available in canada's vast Costco warehouses. For the next two weeks (ending 2020-12-06) Revitalift Triple Power LZR Day Moisturiser is on sale at a discount of \$10.00 so there's no better time to pick up this product! Enter the race! L'Oréal has offered (3) \$50 Costco cash cards away with this upgrade! We will be holding a contest on Facebook and all you have to do is comment on this by informing me your skin type: dry, natural/hybrid, oily, or sensitive. You can go directly to the post here: <https://www.facebook.com/costcowestfanblog/posts/171449968710362> Gook All! No purchase required. The race ends November 29, 2020 at 11:59 pm (PT). Open to Residents of Canada, 18+. Prizes include: Conditions apply. 1 login/person. The correct answer to the math test skill question is required. The contest is not sponsored by @/Facebook®. The winner will be announced via Facebook on Monday, November 30, 2020 at 9pm (PT). The winners will not be contacted later than Monday, November 30, 2020 at 9pm (PT) to claim the awards. So it was a bit busy this morning because there were a record more than 250 products on sale this week! It took me much longer in store and edited descriptions than normal. It seems quite a few electronic products have been discounted on black Friday forecasts that helped add up to total sales items this week. I will be posting some Black Friday deals throughout the week as I see them. There are usually some Costco.ca good sales, so maybe this is a good time to pick up a membership voucher gift for \$50 off \$250 Costco.ca coupons. Another reason this is late is that our dishwasher broke down (yes, we just moved into our new home) so I had to go to us and buy a new one. No, I don't get one from Costco, we were looking for something a little quieter than Samsung. I'm a little tired from editing all the captions this week, so I'll end this here. Have a good week, everyone! Happy shopping!
