Trivia Duradel's hair is probably inspired by the Sikha, or Shikha. In Hinduism, this may indicate a lock of hair left on the shaved head of a male Orthodox Hindu. Duradel's clothes also resemble that of a Hindu saint. When the player asks Duradel about how he reached the Slayer Cape, he mentions to the player that he killed many powerful NPCs (giants) to acquire it much faster than usual. Duradel shares his iconic face-inflictment with many others around RuneScape, such as Vannaka, the Oracle (atop Iceberg) and the random event character, the Genius. Upon completion of all the elite tasks in the Western Province Diary, the difference between Duradel and Nieve/Steve's tasks is that he assigns water fiends and does not assign brine rats, turoths and Scabarites, as well as the different weights and descends to killing for each task. Non-player characters Slayer Slayer masters Community content is available under CC-BY-SA unless otherwise noted. From old School RuneScape Wiki Duradel is the highest level Slayer Master. He is located in Shilo Village, which requires the completion of the Shilo Village quest to be acquired. He can be reached by climbing the ladder into the fishing shop just south of the river. To receive Slayer tasks from Duradel, either a combat level of 100 and a Slayer level of 50 was required, or any battle level if the player scored 99 Slayer and showed him the Slayer cape. Being assigned a Slayer task of him is a hard task in the Karamja Diary. Duradel also appears to be swinging Rune clowns. Players who have achieved 99 Slayer can buy a Slayer cape from him for 99,000 coins. Edit Source] Players can receive slayer reward points for completing Slayer tasks - it's based on how many tasks players have accomplished in a row.
