Macbeth line something wicked this way comes

Thunder. Enter the three witches of the first witch three times brinded cat hath mew'd. The second witch was whining three times and once a hedge pig. The third witch Garpier cries This time, it's time. The first round of the witch about the cauldron to go; The insides are thrown into the poison. Toad that under the cold stone Days and Nights has thirty-one Swelter'd to sleep got, Boil you the first I am fascinated by pot. ALL Double, double labor and trouble; The fire is burning, and the boiler bubble. The second witch Isle of Fenni snake, In the cauldron boil and bake; Eye newt and frog legs, bat wool and dog tongue, Adder fork and blind worm bite, lizard leg and wing of an anc commen, For the charm of powerful woes like hellish broth boiling and bubble. ALL Double, double labor and trouble; The fire is burning and the boiler bubble. The third witch scale of the dragon, the wolf's tooth, the witch's mummy, the maw and the bay of ravin'd salted sea shark, the root of the hemlock digg'd I dark, the liver of a blasphemous Jew, the gaul goat, and the slips of the yew silver'd in the lunar eclipse, the nose of the Turk and the Tatar lip, the finger of the birth-suffocated baby: Add to her chowdrin, the ingredients of the cat. ALL Double, double labor and trouble; The fire is burning and the boiler bubble. The second witch cool it with baboon blood, that charm is solid and good. Enter HECATE to the other three witches HECATE O well done! I appreciate your pain; And each of them will divide I'm a profit; And now about the cauldron of singing, live elves and fairies in the ring, charming everything you put in in music and song: Black Spirits, with HECATE retires The Second Witch by stabbing my fingers, something evil so comes. Open the locks, the one who knocks! Enter MACBETH MACBETH As it is now, you are a secret, black, and midnight witches! What aren't you doing? ALL case without a name. MACBETH I conjure you up, by what you profess, Howe'er you learn it, answer me: While you unleash the winds and let them fight against the churches; although yesty waves confound and absorb navigation up; While the corn blade was being lodged and the trees blown away; Although the locks are tipped over the heads of their wardens; Although the palaces and pyramids slope their heads to their basics; though the treasure of nature's embryos fall all together, even before the destruction of the sicken; answer me for what I ask of you. The first witch says. The second demand for witches. The third witch we will answer. First Witch Tell me, if you'd rather hear it from our mouths, or from our masters? MACBETH Call them; Let me see them. The first witch pour in the blood of the sow that the hut ate her nine farrow; Grease that sweats from gibberish killer throw into the flame. ALL Come, high or low; Myself and the office deftly show! Thunder. First thing: armed head of MACBETH Tell me you are an unknown power.-- The first witch He knows your thought: Listen to his speech, but say you are zero. The first phenomenon is Macbeth! Macbeth! Beware of McDuff; Beware of thane Fife. Fire me. Enough. Comes down MACBETH Whate'er you art, for your good care, thank you; You have harp'd my fear right: but one word more.-- The First Witch He Won't Command: Here's another one, more powerful than the first. Thunder. Second phenomenon: Bloody child of the second macbeth phenomenon! Macbeth! Macbeth! MACBETH If I had three ears, I hear you. The second phenomenon is bloody, bold and resolute; laugh to despise the power of man, for none of the women born would harm Macbeth. Descents MACBETH Then live, McDuff: what should I fear you? But still I will make guarantees double sure, and accept the bond of fate: you do not have to live; What I can say is the pale-hearted fear he lies, and sleep in spite of the thunder. Thunder. The third phenomenon: a child is crowned, with a tree in his hand What is it that rises as a question of the king, and wears on his child forehead round and the top of sovereignty? ALL listen, but say no to no. The third phenomenon is Be lion-mettled, proud; and don't care who the chafes are, who frets, or where the conspirators are: Macbeth will never vanquish'd until the Great Birnam Wood high hill Dunsinane will come against him. Comes down MACBETH What will never be Who can impress the forest, bet on the tree Unfix his land bound root? Sweet omens! Ok! Head of rebellion, never enter until Birnam's wood rises, and our high-ranking Macbeth will live in the lease of nature, pay the breath of time and mortal custom. However, my heart throbs know one thing: tell me if your art can say so much: will the question of Banquo ever reign in this kingdom? ALL eager to know no more. MACBETH I will be satisfied: give it to me, and the eternal curse will fall on you! Let me know. Why sink this cauldron? And what's that noise? Hautboys First Witch Show! The second witch show! The third witch show! ALL Show his eyes, and mourn his heart; Come like shadows, so move away! The show of eight kings, the last with a glass in his hand; GHOST BANSUO following MACBETH You art too, like the spirit of Banquo: Down! Your crown makes ground mine eyeballs. And your hair, you're a different golden forehead, like the first one. The third is similar to the first one. Dirty witches! Why are you going to show me this? Fourth! Start, eyes! What, the line will stretch to the crack of death? Another one! Seventh! I will never see again: And yet there is an eighth, which carries a glass that shows me much more; and some I see that double balls and high scepters carry: Terrible sight! Now, I see, 'it's true; For the blood-boiler'd Banquo smiles at me, and points to them for his. Things disappear. The first witch Ai, sir, is all this: but why is Macbeth so amazed? Come, sisters, cheer us up with him. and show the best of our delights: I will charm the air to give sound, while you perform your anti-antific round: What this great king can kindly say, Our duties have made him a welcome pay. Music. Teh Teh dance and then disappear, with HECATE MACBETH Where are they? Went? Let this pernicious hour stand and damned in the calendar! Come without him! Enter LENNOX Lennox What will your grace be? Did MACBETH see you as strange sisters? Lennox No, my master. MACBETH They didn't come by you? LENNOX No, really, my lord. MACBETH Infected to be the air in which they drive; And damn it, all those who trust them! I heard the gallop of the horse: who did not come? LENNOX 'It's two or three, my lord, that bring you the word McDuff fled to England. MACBETH Has escaped to England! LENNOX Ai, my good lord. MACBETH Time, you anticipate my fear of exploits: flight purpose is never o'ertook If the deal to go with it; from now on, the very first in my heart will be the first of my hands. And even now, to crown their thoughts with acts, whether thoughts and made: McDuff Castle I am surprised; Capture Fife; give an edge about the 'sword of his wife, his babies, and all the unfortunate souls that trace him in his line. No bragging like a fool: This is a case I will make up for this purpose cool. But no more sights!--Where are these gentlemen? Go, get me where they are. Exeunt This is the first half of Shakespeare's Macbeth Act IV Scene 1, containing the classic witch, double, double labor and trouble spell before the timeless, By stabbing my fingers, something wicked thus comes augur. The scene opens in a cave with a boiling pot. There is a mighty clap of thunder, then three witch sisters enter... Witch 1: Three times brinded cat hath mew'd Witch 2: Three times and as soon as the hedge pig whin'd witch 3: Harper cries: It's time, 'it's time. Witch 1: Round about the cauldron to go; The insides are thrown into the poison. Toad that under the cold stone Days and Nights has thirty-one Swelter'd the poison sleep got, Boil you the first I am fascinated by the pot. All: Double, double labor and trouble; The fire is burning and the boiler bubble. Witch 2: Fillet snake fenni, In the cauldron boil and bake; Eye newt, and frog legs, bat hair, and dog tongue, Adder fork, and bite of a blind worm, lizard leg, and wing howl, For the charm of powerful troubles like hellish broth boiling and bubble. All: Double, double labor and trouble; The fire is burning and the boiler bubble. Witch 3: Scale of the Dragon, Wolf Tooth, Witch Mummy, Jaws and Bay ravin'd salt sea shark, root hemlock digg'd i dark, liver blasphemous Jew, goat's gall, and slips yosa Silver'd in moon eclipse, Turk's nose, and Tatar lips, finger-sweetened All: Double, double labor and trouble; The fire is burning and the boiler bubble. Witch 2: Cool it with baboon blood, then the charm is solid and good. Hektat: Oh! Well done! I appreciate your pain, and everyone will share I increase. And now about the cauldron of singing like elves and fairies in the ring, charming everything you put in. Witch 2: By stabbing my fingers, something evil so comes. Something evil thus comes is part of a line uttered by a witch in the act IV of William Shakespeare's play Macbeth.
