## Bloons td 6 apk paid

Bloons TD 6 (Paid, Mod Money) is a famous mobile tower defense game released by Kiwi Ninja. Since its release in mid-2018, the game has received more than a million purchases on Google Play. It is distinguished by beautiful graphics, a luminous ability, exciting and challenging gameplay. The more you play the game, the harder the task will be. It certainly makes Bloons TD 6 attractive. Currently, the game is available for the most popular platforms today, including Android, iOS and Windows. Moreover, Bloons TD 6 is not a free game. It costs \$4.99 so you have to make a payment if you want to download it from Google Play (or App Store). However, you should not worry about this because we will help you download and install Bloons TD 6 completely free in this article. In addition, we also offer the latest mod version of the game, allowing unlimited use of money and unlocking all items. Let's find it below! About Bloons TD 6The bubbles are back in Bloons TD 6. They want to invade your castle. Of course, you'll have to be the one to stop them. In the game, you will become the commander of the monkey army, ready to destroy all the balloons. Bubbles are called Bloons, which will constantly attack your turn. They will move on a specific route. All you need to do is build a cannon system and defensive troops along the way to prevent the balls from going through the map. Your enemies will constantly attack with Bloons with different forces and characteristics. To be able to build a solid defense system, players must be smart in choosing the right weapons and heroes. The defense against BloonsBloons is the enemy's main weapon used to destroy your defense system. They are flying bubbles with different structures. In which, the more that makes the most difficult for players is Lead Bloons. They are made of metal, so it is difficult to destroy. In addition, camouflage bloons also cause you many difficulties. In order to destroy different types of Bloons, players must use appropriate heroes and weapons. If you want to destroy Lead Bloons, players can use a cannon to shoot them to pieces. Now boomerangs, witches and ninjas will help you detect and destroy camouflage balls. Knowledge PointsAs previous versions, in Bloons TD 6, Monkey Labs will be replaced by knowledge points. There are a number of ways you can get them. For example, when players upgrade all rounds to level 30, you'll receive additional knowledge points each time you upgrade. In addition, knowledge is power. It Bloons TD 6 is the same. You can use knowledge points to upgrade Knowledge Trees. There are 6 knowledge trees, each of which will help players improve their powers for certain rounds. In addition, each type of knowledge points offers certain advantages for players. For example, More Cash is at the bottom of the primary knowledge tree, which helps you get 200,200 After each game; Mana Shield is also very important, located at the bottom of the tree of magical knowledge. It has the ability to create a shield that protects your defense system. Heroic TowerHeroic Tower is a new point in Bloons TD 6. There are 5 heroes to choose from. You can unlock these heroes with monkey money. The initial amount to own the heroes is quite high. However, you won't need to worry about the cost of the upgrade. Heroes will be upgraded automatically. In addition, upgrading the towers is also important because it allows you to increase your defensive power. There are normal indestructible bloons. You have to use special tricks. Revive lifeSoulbind is an interesting feature. There is a monkey king sitting on the throne and does not involve in defenses. However, it will help you save yourself when you are short of life. If you invest in Soulbind 100 coins, the player will have an extra life. To unlock Soulbind or to be able to own Soulbind, players need to spend 30,000 experience points to buy it. If you want to level up, you have to spend an additional 24,000 points. Although using Soulbind is quite expensive, it will help players have more lives to complete the game. In addition, Soulbind will disappear when used. The towers associated with Soulbind will also disappear. Therefore, when you move to the next screen, make sure you've added new towers to empty positions. The graphicsBloons TD 6 is a tower defense with simple gameplay that suits all players ages. Although the difficulty of the game may make some players feel depressed, we bet you will spend hundreds of hours playing with this exciting game. In addition, the graphics of Bloons TD 6 are also a bright spot that the editor brings to players. In the game, the colors are bright. The animations are carefully cared for. Players will have a third view from the top to be able to observe the entire map. In addition, the movements and effects are also very smooth when the speed of play is high. SummaryWith superb 3D graphics and engaging gameplay, Bloons TD 6 is a very entertaining tower defense game for Android. The duration of each stage is quite short, so you can play in your free time. You can now upgrade your watchtower and your army becomes strong to destroy the enemy's bloons attacks.
