Review Summit View Elementary Learn more about how to get involved Homes for rent & sale near this school This school is rated below average in school quality compared to other schools in Arizona. Students here are building below the average year-over-year academic improvement, ... Most of the school has below average results in how well it serves disadvantaged students, and sub-intermediate students perform on government tests. The school's students have less academic achievement than students at other schools in the state from one class to another. Low progress with low test scores means students are starting at a low point and falling even farther away from their peers in other schools in the state. Parent tip test scores at this school fall far below the state average. This suggests that students at this school are not likely to run at the degree level. Parents tip noticed something missing or confusing? Students deprived of equity at this school may be far behind other students in the state, and this school may have huge achievement gaps.
