How to open a Nevada salon opening a salon with the Nevada State Board of Cosmetology can be a simple process. The law requires prospective salon owners to submit a salon application twenty days before the opening date is scheduled. They typically fill Salon Opening Inspections within 3-7 business days after the application has been processed. Before submitting a Salon Application, it is important that a prospective salon owner must be familiar with the Rules and Regulations of the State of Nevada. Salon's Open List summary lists the requirements for passing an opening inspection. Once a prospective salon property should be submitted in a timely manner in order for an Opening Salon Inspection to be held before the opening date is scheduled. This inspection is scheduled between the Inspection, the inspection, the inspection to be held before the opening List to ensure that the salon is in compliance. If the salon is in compliance, the salon's license will be awarded. If the salon is not in compliance with the Open List Salon, then the salon owner must correct the items not in compliance. If a salon fails a Salon Opening Inspection, a \$25 Re-Inspection Fee must be paid in order for

another inspection to be scheduled. It is important to contact local government/county agencies/counts/states for any applicable licensing fees collected by the Nevada State Board of Cosmetology are used directly to manage the operations of our Inspection Services and Testing Services designed to reduce the risk of safe, insanity, and illegal practices in the beauty-service industry by ensuring competent people are practicing in the safe and clean salon.
