Neopets grumpy old king answers

Who's the grumpy old king? In the medieval town of Meridell King Skarl sits on the throne in the castle. Visitors should beware, as King Skarl is indeed quite grumpy. You can try to make him laugh with a joke, but tell him a bad joke, and he's really going to be mad. Click here to test your humor! Can you tell King Skarl 2 jokes a day. You can either fill the boxes for the second time or if you want to save some time, you can just update the site after you told him the first joke. It will say the same joke again and count for your second use. If you're lucky the results may be better the second time! Note: Since this is a site feature that awards neopoint rewards and awards, you can't visit King Skarl on his page. For more information, see our side account guide. How to say a joke twice a day, you can try your luck in making the king laugh. You will see the site as below, there are several options available to form both the question and the answer to tell the joke. You can choose a word for each space or leave it blank. Please note that Grumpy Old King is not available between 8:00, 1:00, 1:00 and 19:00. In those days, you'll see an empty throne when you visit. Possible answers After you've decided to make a joke, all that's left is to wait and see how King Skarl reacts. The different results are shown below. Worst joke, I'm out! As mentioned, King Skarl is rather grumpy. Sometimes your jokes just make his mood worse. Grumpy old king Skarl listens as he tells the joke... Q: How to stop the Pant Devil? A: You don't know! Oh... I don't know, i don't know. Now you've done it! King Skarl Says: That was the worst joke ever! I'll only give you 287 out of 1,000! Leave my kingdom! *Grrrrrrrrr* Hmmm... I'd like to leave here for your part. Joke has no effect on King Skarl Unfortunately, the grumpy old king is not always easy to cheer. Grumpy old king Skarl listens as he tells the joke...
