Combining the urban aesthetic on the streets with the preppy culture of country clubs and the Ivy League into a symbol of American culture has been a phat farm destination since early 1992. Label Phat Farm has made its name by designing clothes and shoes that have classic American flava with a twist. The casual sneakers line committed to quality and innovation in Phat Farm shoe design has been able to eliminate stereo types and ethnic boundaries. Phat Farm Shoes strives to bring you a crisp and clean kick which is the epitome of casual cool. Working with the staple hip hop group Bone Thugs-n-Harmony, Phat Farm shoes created bone thugs shoes that were once popular for the masses. Continuing its influence on the fashion world, Phat Farm Kids shoes provide comfort and preppy shoes for boys and girls. Phat Farm children's shoes are perfect for days filled with school and play. Establishing itself as an American lifestyle brand, Phat Farm continues to set new standards in sportswear. Check out Russell Simmons' latest Phat Farm shoe style here! For luxury and designer styles, visit the Style Room. Created in 1992, Phat Farm represents the most influential streetwear line of its time. Founded by Russell Simmons, the brand is credited with pioneering what would eventually become a standard, sometimes stereotypical hip-hop look. The brand is also transforming mainstream fashion by bringing hip-hop styles with a preppy twist to center stage. © 2020 Walmart Stores, Inc. Inc.
