We may use cookies to customize your experience, including analysis and ads. Read more March 19th, 2019 Shooting Games 99.5K plays In this game there are 10 difficult challenges for you, but don't worry because the developer also gives you a lot of weapons to use, such as swords, umbrellas, guns, machine guns ... Player 1 use the arrow keys, Player 2 use WASD, Player 3 use np/ np7 np8 np9, Player 4 to use np5 np1 np2 np3 move. Player 1 use Z, Player 2 use T, Player 3 to use np*, Player 4 to use np0 attack (primary weapon). Player 1 use X, Player 2 use Y, Player 3 to use np.Player 4 use np. attack (secondary weapon). Tips and Tricks: You can pause/resume/restart and turn the sound on/off on the game screen. This game can be played in full screen mode. Every time you fall deep, you lose one life. 100% - 100- Lk 33D Bowling is a 3D bowling game where you can play a classic family game where we've all grown up to love. Have unlimited bowling fun in this online version, then practice your lines and aim to catch and get that infamous strike knocking all the pins down in one go. You can play one game on your own try and win your own score or you can play against a friend in a local play as you take turns. If you play yourself but still want to challenge then you play against the AI computer. Practice will make it perfect in this game, learn your sweet spot and see if you can even turkey. Have fun with more 3D Air Hockey. Release Date July 2018 Features Bowling game 3D graphics 3 game modes: solo, against computer and against a friend smooth ball physics You can slightly control the ball towards the center, platforms web browser (desktop and mobile)Controls Hold the left mouse button to grab the ball, release the throw. Page 43D Air Hockey is an online version of the classic air hockey game that you expect to see in your local arcade. Use your paddle to hit the air of the puck for your opponent's goal, you can use any part of the table to do this, including all sides. You can fully control the game itself: select the winning score limit or game time limit. Choose the weight of your opponent when you play against AI or play with one of your friends on the mobile platform as a real challenge. Have fun and good luck! Release Date June 2018 Features 2 player air hockey game against your computer 3 options to choose from winning score and difficulty playing with your friend on the same device via mobile browser Cool 3D graphics Smooth control platforms web browser (desktop and mobile)Controls Hold the left mouse button to paddle it. Page 5 Big news fan games! Gun Mayhem Redux, which has a brand new chapter gun mayhem, is now available. This chapter is slightly different from that of other For example, the game of characters and war cards is minimized a little bit is better to watch and play, but it does not cause the loose excitement of this great game. In this chapter, dozens of brand new weapons await you. Even, you have the possibility of war using primitive weapons. The war continues in the arena with superior war cards and weapons and fun chapters! Control players: 1st player: Move: ARROW KEYS to quick shoot: Z Aim and shoot: X 2. If you want to play with three or four players, you must set up third and fourth player controls from the Controls and Settings menu. You can then specify a game that you can play with two, three or four players by clicking Custom Game. Have fun! Fun!
