Access to the information contained in your file is limited to you (the patient) and student Health Services staff, unless you grant written permission to release it, unless there is an imminent risk of harm to the person or others. All employees sign a confidentiality agreement. Is Student Health Services a real clinic? Yes, Student Health Services is a fully serviced accredited medical clinic with a pharmacy, laboratory and radiology department. You can get treatment for most medical and psychiatric conditions right here on campus. Students in need of specialized care will be referred to community providers. Student Health Services has licensed doctors, family nurses, and nurses. I need to update my immunizations. Can you give them to me? Yes. Many students come to Student Health Services for photos including MMRs (measles, mumps, and rubella), tetanus, hepatitis B, HPV, meningitis, travel photos, and others. Can I choose my supplier? Yes, many of our patients have a supplier that they prefer for a variety of reasons. Some women may prefer to see a female supplier, and some men may prefer to see a man. Some students may want to be seen by a doctor and others prefer our family nurse practitioners or nurses. The choice is yours! Is the health student able to adapt to special needs? Yes, we are able to provide English translation services and we work with our patients to suit other needs they may have, such as limited mobility, hearing and/ or vision impairment. Please make your needs known when making your appointment. How much will I pay for the appointment? It all depends on what happens during the meeting. All fees will be deposited on insurance (if you have them). Any costs in your pocket will be transferred to your account. What if I don't have health insurance? Each year there is a period called Open Enrollment, when people can sign up for a health insurance plan. The SHS Insurance Coordinator can talk to you to determine your options at 701.777.3457. I'm turning 26 soon and I have my parents' health insurance, what should I do? If you're turning 26 in should start thinking about what you will do for health insurance. Options may include, getting health insurance with your employer, finding a new plan on Marketplace, or taking Medicaid or Child Health Insurance Program (CHIP) coverage if you have limited income. The SHS Insurance Coordinator can talk to you to determine your options at 701.777-.3457. Accredited healthcare on
