## English to irish dictionary

Links for translation agencies and certified translators. Enter your preferred domain:General translations, business translations, commercial translations, legal translations, technical translations, medical translations, scientific translations, software localization, website localization, other areas... Partnership Welcome to the German-Irish Dictionary. Please write a word or phrase that you want to check into the text box on the left. add translationGlosbe is home to thousands of dictionaries. We offer not only dictionary German-Irish, but dictionaries for every existing pairs of languages - online and free. Go to our homepage to choose from the available languages. Translation MemoryGlosbe dictionaries are unique. On Glosbe, you can not only check translations into English or Irish; we also provide examples of use by showing dozens of examples of translated sentences that contain translated sentences. This is called translation memory and is very useful for translators. One can see not only the translation of the word, but also how it behaves in the sentence. Our translation memory comes mainly from parallel corpuss made by humans. Such translated sentences are a very useful addition to dictionaries. StatisticsCurrently we have 133,477 sentences translated. Currently we have translated 1,268,716 sentencesCollaborationHelp us in creating the largest german-Irish dictionary online. Just sign in and add a new translation. Glosbe is a collaborative project and anyone can add (and remove) translations. It makes our dictionary German Irish real as it is created by native speakers who use the language for each day. You can also be sure that any error in the dictionary will be fixed quickly so that you can rely on our data. If you can find an error or add new data: Please do it. Thousands of people will be grateful for this. You should know that Glosbe does not store a word, but the idea of what the word means. Thanks to this, by adding a new translation, dozens of new translations can be created! Help us develop Glosbe dictionaries and see how your knowledge helps people around the world.
