Barnes & Noble College Booksellers Frisco, TX 118 Bookseller (Seasonal) Collin College Preston Ridge Bookstore, Frisco TX jobs 953 68 jobs Barnes & Noble College Booksellers Job Company Description Skills Job Trends Job Openings Description Barnes & Noble College is a retail partner at nearly 800 colleges and universities across the country. We offer a retail environment like no other – uniquely focused on providing essential educational content, tools, and goods in a dynamic retail environment for university higher education. Our teams work directly with our customers, including students, faculty, administration, graduates and the general public, to provide excellent customer service to sell or rent books, general merchandise and a range of products and services to the academic community, while being part of a company that is consistently rated as a great place to work – and where employees love what they do. Our stores can take everything from text and marketing books, technology and school accessories to clothing, regalia, and food – everything a college student wants, their parents want, and our faculty needs. Seasonal workers can work in one or more departments and are usually scheduled to work periodically throughout the year to support our peak periods or special events such as term/semester openings and closings and special events such as sporting events, book signatures and graduations. Expectations: Greet customers, answer questions, and help with the purchase of goods or services. Shelf, organize, clean, and organize a product or space in the store to maintain an attractive selling floor. Help process sales transactions that include cash, credit, or financial support payments. Seasonal positions require work in peak periods (i.e. start and end time), irregular weekends and flexibility work periodically during the school year. Physical requirements: Frequent movement in the store to access different departments, areas and/or products. Ability to remain in a stationary position for a longer period of time. Frequent lifting. From time to time reaching, stooping, kneeling, crouching, and climbing stairs. Qualification: candidates must be at least 16 years of age in order to be considered as employed. A high-energy, friendly personality, with strong communication skills to interact with different people. Excellent customer service skills to match customers with products that meet their needs. Basic math, keyboard and data entry skills. Scheduling flexibility is required. Barnes & Noble College has equal employment opportunities and affirmative action by an employer committed to diversity in the workplace. Qualified applicants will be remunerated for their work without regard to race, color, religion, gender, national origin, sexual orientation, gender identity, disability or protected veteran status. The application currently closed Register new jobs posted daily This job was posted on Thu Sep 24 2020 and ended October 11, 2020. TasksCheck the equipment to make sure it is working properly. Will shelter with other employees to discuss issues such as safety, mowing height or work needs. Collect, package or deliver forest products to buyers. Sow or harvest duvet crops such as alfalfa. Spray or inject vegetation with insecticides to kill insects or protect against diseases or herbicides to reduce competing vegetation. Maintain tree tallies that are tested and counted during tree marking or measurement. Identify sick or unwanted trees and remove them using power saws or hand saws. Pull the cut trees from the cutting areas and load the trees onto the trucks. Sort tree seedlings by discarding non-standard seedlings according to standard diagrams or oral instructions. Run skidders, bulldozers, or other key movers to pull various scarification or site preparation equipment over areas reclaimed. Explain or implement the rules for camping, vehicle use, fires, use of buildings or sanitation. Perform fire or suppression duties, such as the construction of fire breaks or the disposal of a brush. Check and grade trees according to standard diagrams and staple color-coded grade tags for limbs. Erect signs or fences using post hole diggers, shovels, or other hand tools. Fight forest fires or perform certain combustion tasks under the guidance of fire officers or forestry technicians. Provide assistance to forest survey crews by clearing the site lines by holding the measuring tools setting rates. Select or cut the trees according to the marks or sizes, types, or grades. Maintain camping or resting areas, supplement firewood or other utensils and cleaning kitchens or toilets. Thin or space trees using power thinning saws. Select tree tree to prepare land or plant trees in afforestation areas using manual planting tools. Plum or shear tree tops or limbs to control growth, increase density, or improve shape.
