Find asylum problems at your eastern prairie nursing center 186 MILLAR ROAD, PO BOX 299, EAST PRAIRIE, MO 63845 View the Medicare profile page of this home Date Total Disabilities Disabilities Severity Penalties 10 1 D 9 0 E E to C 3 1 E a D On this date Updated data October 2020 This app uses data from the U.S. Centers for Medical and Medicaid Care. Fines are listed in the last three years if a house has made partial or full payment (ad fines are not included). Information on disabilities comes from the last three cycles of inspection of a home, or approximately three years in total. The number of cases of COVID-19 is since May 8, when homes were forced to start reporting this information to the federal government (some houses may have included data on previous cases). Click here for an analysis of state-by-state data. Download the raw data files, updated in September 2020.

Download the undrafted version of the inspection reports, requested by ProPublica under the Freedom of Information Act, last updated in April 2019. These reports are divided into regions.
