Appleton north jv volleyball

to jump higher than most athletes my height. As a teammate and a player, I can offer responsibility, respect and good attitude. I work very hard every game and I risk everything for the ball. I've been captain of my club volleyball teams for four years, and the captain on the floor, my first year and year 1 of the high school championship. I was captain of year 15 of high school, too. I won the first team at all conferences and first team all areas of my junior course at the school ball. I always thought I wanted to play volleyball in college, I love volleyball so much and I never want to stop playing. As for academia, I hope to go to school to be a nurse or a nurse. I dream of attending college for academies and volleyball.
