Basic Menu Basic Training 2021 Vocational Military Education (PME) VDF General Education Courses Not Engaged with Training of the Head of Leadership (NCOLD) FEMA (Independent Training) Civil Security and Communication Support Instructor Line MEMS (State Guard) Operations and planning courses Basic courses 2019 Orientation courses and IIA must be completed within the first six months of service in the army and completion of these courses is necessary before graduation from IET. Go to the main menu Vocational Military Education To enroll BNCO and ANCO by e-mail, your request for pme@vdf.virginia.gov for the registration form and the instruction letter. Include the designation of the unit you have applied to and copy your enrollment request to your 1SG/NCIOC and CSM. VDF courses for general education go to the main menu initial training (IET) 2020 IET 2020 is now to be an all-residential course at FT Pickett, which covers two weeks weekends. Two separate schools for fewer than 10,000 schools will be introduced during the year. Below material can be used for personal preschool preparation and reference, as you may wish. Students are enrolled by their free-to-air commands in class using student selection protocols established for each school. Go to the main menu Uncombed Head of Course Development (NCOLD) VDF Non-Commanding Officers Leadership Development (NCOLD) Course Info Go to FEMA Main Menu (Independent Course Study) Below are 4 FEMA IS courses. 100 and 700 are needed to become state obligations ready. We encourage you to continue your training with these courses after completing the VDF orientation and IIA level located in Basic Training. Introduction to the incident management system: FEMA IS-100 ... Required for (PV1 via SPC) ICS for single resources and single action incidents: FEMA IS-200 ... Required for (CPL & more) NIMS: Introduction: FEMA IS-700 ... Required for (PV1 via SPC) National Incident Framework: Introduction: FEMA IS-800 ... Required for (CPL & more) FEMA Professional Development Series: FEMA PDS required for promotion up to: MAJ/CW2/SFC Introduction to Community Emergency Response Teams: FEMA IS-317 Not necessary, but recommended. 300, ICS 400. See VDFR 624-1 Additional FEMA Courses: Additional Not Required. To the Main menu Requires training and assessments of the civic menu. The successful completion of the course and the traffic test, together with the practical training in mutas strength, is necessary for the completion of the traffic control training. Completion of this course below is preferred before practical training. ALL RATINGS REQUIRE FINAL 100% ACCURATE RESULT Go to the main communication menu Go to the main menu For instructor training (IDC) process of UTA station or Force MUTA, the Student will deliver classroom VDF training for a period of not less than twenty continuous minutes, as assigned by the designer REGT or REGT Cdr. The transmission of the classroom will follow the principles of learning as specified in the IDC course and will be evaluated by one authorized by the REGT Cdr.. A memorandum from the REGT, CSM or S3 Commander indicating a successful assessment and the name of the evaluator will be sent to Section G3 to generate an IDC replenishment certificate for the person concerned and for the personal files of regt and FORCE personnel. Instructor Development Course (IDC) 2015 Course To main menu This page is obsolete. For VDF forms, go to VDF forms, regulations, brochures, and policy letters most recent updates: JUNE 2018 The information contained in the table below contains the most recent changes to regulations, memoranda, command policy letters and VDF references. To open a file, simply click the PDF icon to the left of the document. It is very important to check this page frequently, as it is updated frequently with changes, additions, or even deletions. Stein, State Defense: Missing link in national security 1984 report go to the main menu The information provided on this page replaces all previous versions of forms, regulations, brochures and policy letters. The table below presents the most up-to-date forms, regulations, brochures and political letters published by the headquarters. Check this page for regular updates so that you don't use an old form that you may have. Posts and forms are numeric and then alphabetically. There is also a search function. The designation of the publication numbers/format are as follows: VDFR = VDF Regulation VDFP = VDF brochure VDF Form = VDF Form VDF CPL = Command Policy Letter = Tag Policy ICH = Label Policy Label Other designations can be simply the name of the document, such as DMA Workman Comp Form, as this is an external form. Most files are in PDF format, fillable and can be saved, printed and emailed. Some forms contain Form Directives that contain additional instructions on how to correctly fill out VDF forms. For forms which do not have a Form Directive, it means that the form is self-explaining. Some files are in Word format, which can also be downloaded. When a link is clicked to view a PDF, you may be prompted to download the file to your computer to complete it. All forms are stored by their appropriate name so that they can be easily found on your computer. NOTE: If you want to see the PDF file in your browser, you may need to change your browser settings. Instructions on how to do this can be found here. When you submit a form, save it with your last name added to the front of the file name. For example: Jones\_Form 600-8-1.pdf ALERT: Be sure to view the pdf files in their entirety. There are some that are more than one page long.
