I'm not quite sure if anyone is reading these, but here it goes! I am a 4085 year old foreigner who loves to write books, songs, and pretty much everything else. I read books about as often as most people drink water and I'm almost always alone with me. I play a lot of Tabletop RPG (especially dungeons and dragons, but it's not the only one I play) and I just recently started drawing miniatures. I love Doctor Who, The Legend of zelda, Star Trek (mostly original series), Warehouse 13, Game of Thrones, Supernatural, Harry Potter, Lord of the Rings, DC and Marvel Comics, and just about any other nerdy fandom you can find. I play several instruments, but my favorite is to play the electric violin. I also have 3.5, 75 and 29-gallon freshwater aquariums full of small aquatic creatures. I'm not sure what else to say, but I hope you're all wonderful day/night!
