Mccall middle school atoka ok

Thirty-five Ninth-grader McAlster gears up students recently touring the Atuka Museum and Civil War cemetery. The tour began at a museum where students saw various exhibitions. There was a series of exhibitions, showcasing the lifestyles of the late 1800s and early 1900s, including a Memphis physician, post office, hairdresser who not only cut hair but also pulled teeth, and the classroom. Students were fascinated by how much things have changed and what they are accustomed to in our society today. The outdoors tour ended on a walking tour of the Civil War cemetery, which was first founded by travellers read more » Thirty-four McAlster grade nine gears up students recently visiting the Autoca Museum and Civil War Cemetery. Students participated in an outdoor walking tour of the Civil War cemetery, learning about the history of the Civil War in southeastern Oklahoma, including the fact that the cemetery is the only Confederate cemetery designated in Oklahoma. Students also toured the museum, which includes the history of Atoka County, such as legendary professional bolognese showster Lynn Frost, country music entertainer Riba McColl, and Oscar-winning artist Matthew Mungel, originally from the area. The field trip was sponsored by eastern Oklahoma State Read more » Twenty-nine Stringtown eighth and ninth grade gear up students recently touring the Autoca Museum and Civil War cemetery located north of the Boggy River in Atoka. Students were given a walking tour of the property, which includes a Civil War cemetery—only in Oklahoma, several historic houses, and a church. The church has moved from Boogie Bend in the northeastern part of the city to the museum site, and is started by Chief Harrison, a relative of several current Stringtown students. Inside the museum, director Cindy Wallis guided students through various exhibitions of district history, read more » McAlster ninth grade east of Oklahoma State College gears up students recently touring the Atoka Museum and Civil War cemetery, giving deep knowledge of Oklahoma history. Students participated in an outdoor walking tour of the Civil War cemetery, learning about the history of the Civil War in southeastern Oklahoma. The cemetery was first established by passengers on The Bytterfield Stage Road when measles swept through the area. Students also toured the museum, which includes the history of Atoka County, such as the legendary Bull Rider, Lynn Frost, and country music entertainer Riba McColl, originally from the area. Read more » Seventy-seven GEAR UP students from McCall Middle School in Atoka have recently visited Durant State Fish House near Durant. Seventh and eighth grade students tour parts of the 350-acre facility while learning the role of The Greatest Hicchery in the Oklahoma Department of Wildlife. The day began exploring the catfish barn. Rebecca Filmor, along with other Churchy technicians, described the process as researching and growing the millions of basses used to store Oklahoma lakes. Fillmore showed students various sampling tours used to catch fish and explained how each net was designed to get specific Read more » Ninety-eight gear UP students from McCall Middle School in Aoka recently travelled to Ada to tour East Central University (ECU). Seventh and eighth grade students and their teachers began the day in the stapp room inside the Bill S. Cole University Center. After a brief introduction, admission recruit Ellison Chapman offered a brief overview of the ECU and Campus Life. Chapman encouraged students to start planning now for college admissions by building portfolios, maintaining good grades, and monitoring their social media accounts. The students were divided into four groups led by Chapman, his colleague Claudio Harvey, and Read More » Ninety-three gears up students from atuca public schools recently touring the Oklahoma City Zoo located in the Oklahoma City adventure area. Students enjoy exploring the zoo, home to more than 1,900 animals. The exhibitions include an Asian-themed section that houses elephant habitat with outdoor courtyards, pools, waterfalls and barns that can be viewed from raised sidewalks. Students were also appealing by the forest of cañlon ignoring containing species of cats large and small. Another popular Oklahoma exhibition was trails featuring native Oklahoma animals including black bears, crocodiles, American bison and more than two dozen snakes.
