Once your order is complete, you will be redirected to the order confirmation page. At the bottom of the page, click the exit button to access the manual download. An email with a download link will also be sent. If you don't see your downloadable email address after an hour, please contact us at sew123@telus.net confirmation number or transaction number. We can then send you a copy of the download link. Many email filters can remove download links, so check your junk folder. Received orders that are awaiting echecks from PayPal will be shipped as soon as we are notified by PayPal that the echeck has been cleared. Cleaning takes about 4 business days. If you're having trouble downloading files, please let us know sew123@telus.net Enter your confirmation number or transaction number so we can find your order and help with download issues. Once downloaded, you cannot offer a refund. All downloads are in PDF format. You will need a program that can display PDF files. Adobe reader is available for free at: www.adobe.com/products/acrobat/readmain.html To use the links to the manual just click on the link and the manual should start with a download. Some files are large and my few minutes download. Information about print orders Printed instructions are related to the coe. orders are processed shortly after receipt of the confirmation. the manuals are then printed and sent for shipment. Manuals are usually in the mail within 48 hours. Manuals are sent by regular first-class mail, so no tracking is available. if you would like an instruction provided with tracking, please contact us via email before placing your order, and a secure order link can be sent, which includes additional shipping costs. We reserve the right to cancel and order at any time.
