Getting the main idea worksheet grade 5

Tony did his best to prove he was willing to take care of the puppy. He stood up to school without complaining. He folded his bed. He put his dishes in the sink every night. He did his homework without saying. Today there was no school! John jumped out of bed before being called by his mother. There was no moment to lose! He threw a bowl of flakes for breakfast, grabbed a skateboard and headed to the park. Read each passage. Answer the question. Our primary school choir had the greatest involvement in its history this year. They made eight appearances - three at school, and five across the city - and received an award for the most improved school vocal group from the state. Tim Burton is living proof that you can have a successful career if you decide to follow your passions. Today, as a creative and innovative film-maker, as a child Burton became fascinated with classic horror films. Holly got a book for her birthday. As soon as she started reading it, it seemed like she never put it down. She read for breakfast in the morning. She read on the bus on the way to school. Howler the monkeys start and end the day with loud screams. Screams are their way of keeping in touch with the rest of their troops. They are also a way to signal to competitive troops as they insinuate into their territory. In Montgomery, Alabama in 1955, an African American woman named Rosa Parks gave up her bus seat to a white man, a decision that brought about one of the defining moments of the U.S. civil rights movement. ASL is a visual language, which means it has its own syntax and grammar. Because it is hand language, words are formed by the speaker using combinations of hand, arm and body gestures, as well as facial expressions. Write a thematic sentence for each paragraph that clearly indicates the purpose of the work. All his friends love summer best, but for William, there's a lot more to do in winter. William loves playing in the snow. Joe's cousins were sorry for him because he lived in the city, but Joe loved city life. Whenever he wanted to fly a kite, or take a walk, or run, he would head to the park. A new family appeared next door. They had a little girl about Fiona's age, and Fiona really wanted to meet her. Mia's parents always said that when she was a child, she got into everything! She wanted to keep everything she saw and usually tried to put it in her mouth. Children love sports. There are age-old programs for almost every sport, and sports is a way for children to challenge themselves in a safe and resuracting environment. Non-icing Comprehension: St. John's River, FloridaUnderation: The River St. John's, FloridaIn this reading of the comprehension of the worksheet, children learn about the River St. John's, the longest river in Florida. Many have difficulty identifying basic ideas in non-commercial texts. In order to understand and express the basic idea of the passage, the reader must not only comprehend the text, but also establish connections within the content and find the main ideas. To further complicate the process, the reader may also need to recognize and ignore the unsymworthy information. So while this definition of basic ideas may come simply and naturally for good readers, it's actually two or three steps of the process and struggling readers can step up on any of these steps. If your students need more practice by identifying the basic idea in different texts, look no further: These basic tables of ideas and resources will give your students the practice of identifying basic ideas.
