This article belongs to The Classic Continuity 62 (Production Order) 61 (U.S. Airing Order) What Are Little Girls Made Of? The Gauntlet is the tenth episode of Ben 10: Alien Force. Plot Gwen and Kevin fight a Techadon robot in a warehouse, while Ben tries to scroll through the Omnitrix to find the right alien for this situation. They manage to hold him back, but he's too strong. However, Ben finds the right alien and turns into a new alien named Goop. After goop defeats and destroyed, and throws it into the trunk of his car. The hand is revealed to still have some life in it. To Mr. Smoothy, Kevin is wiping his car, thinking he still has the Ben goo blown over it when the Techadon exploded (although Goop Anti-Gravity Projector collected it all). Nearby, Cash and J.T. spill juice on Ben and make fun of him. After dissuading Kevin from interfering and trying to laugh, Ben almost goes stranger on them, but decides they are not worth it. Instead, he tells Cash and J.T. how sad it is to see how they have never changed their bullying ways since they were children, making Cash and J.T. look like fools in front of a crowd of people watching them and Ben was applauded for standing up to them. Later, Cash stops and J.T. suggests that they trash Kevin's car. They throw him off an incomplete road, but he fails to break, and Kevin's technology has stolen pours. J.T. grabs the techadon arm and runs away when Ben, Gwen and Kevin arrive. Ben wants to catch up with them using Jetray, but Gwen dissuades him from doing so. At Manny and Ken's, an old model factory, Cash thinks the glove is stupid, but J.T. is trying to make it look cool. Playing with it, he accidentally shoots a laser into the ceiling and this inspires Cash. He takes it and puts it on. He decides to use it to get back to Ben, but J.T. tries again later that night, but Cash warns him. Noticing that Cash is behaving strangely, J.T. rushes to warn Ben. J.T. tells the location of Kevin and Gwen Cash and what's wrong with him (not to mention the glove). Kevin goes after Cash to get revenge on him distchasing his car, while Gwen guestions J.T. for his decision to hang around Cash, as he was originally a friend of Ben's. J.T. says that Cash is not so bad, since he makes J.T. laugh and watches over him. He also says he'd rather see Cash beat others instead of him, which Gwen thinks is a rand friendship. Gwen asks J.T. why he not with Cash, J.T. replying that he wanted to warn Ben. Gwen assures her that nothing bad will happen. When Kevin finds Cash at factory, it is merged with Techadon and is super strong. He beats Kevin in a fight, leaving him with stone parts, a metal arm and a torn face on his body. The Techadon passes through Cash and J.T. find Ben and tell him about Kevin. They head to the factory and find it in its weakened state. Kevin tells them about Cash and J.T. reveals what the glove is doing to him. Kevin tells Ben where Cash wants him and they rush to Mr. Smoothy, leaving Kevin behind. Cash threatens customers until Ben Gwen and J.T. J.T. tries to reason with Cash, but he is angry that J.T. has betrayed him and jumps towards him, but Ben turns into Chromastone and hits Cash before fighting him. Chromastone tells Cash he doesn't want to fight him, but Cash proceeds to give him a beat-down, which barely baffles him. Chromastone dominates Cash and J.T. makes him fight the influence of Techadon and he returns him to the glove, freeing himself. J.T. reconciles with Ben and leaves with Cash, while Gwen feels she has forgotten something. Ben tells him it's probably nothing. Kevin is then heard yelling at them off the screen. Ben helps Alan evade the police, and they investigate the culture circles, which Gwen deduces are actually circuit boards throughout the valley. They discover that they were created by the aliens they have already fought (known as DNAliens), who activate the circuits and cause a huge machine to mount and change the weather at lower temperatures. Ben and Alan destroy the weather machine, and the sheriff, realizing that Alan was not to blame for the attacks, recruits him to help search for other foreigners in the area. Omnitrix Alien Debut: Jetray 44Kevin's Big ScoreButch LukicK WayneMay 3, 2008 (2008-05-03)104 Kevin meets an old friend named Argit, who claims he knows the location of a particular piece of extraterrestrial technology that Kevin is looking for. Needing something to negotiate with, Kevin steals Max's RV, the Rust Bucket II, but after seeing the huge amount of plumber technology and weapons inside, Argit double-cross Kevin and steals the RV for himself. The team follows Argit with a tracking device that Kevin hid on the Rust Bucket landing gear and stops Argit, but Kevin takes the storm away to look for Vulkanus, but the latter forces Kevin to absorb a rare alien crystal called Taedenite, intending to use it as a living gem mine. Ben and Gwen arrive and beat Vulkanus, and the alien technology Kevin was looking for turns out to be a message from Max, who asks Ben to set up a team of Plumber's children to prepare for what's coming. Omnitrix Foreign Debut: Big Chill 55All That GlittersDan RibaBob Goodman May 10, 2008 (2008-05-10)105 While Ben Obsesses on meeting Max's request to find other plumbers' children, Gwen and Kevin come to odds on their romantic and inaction of Kevin by asking him to go out. The team meets a weakened high school student who almost caused a car accident, which is avoided by a super-powerful boy named Michael Morningstar, who reveals himself as the child of another plumber. Michael explains that something makes the girls of his school become zombified zombified zombified zombified and they agree to investigate together. They find and fight a group of zombie girls, who escape after Michael causes debris to fall between them. Gwen, in love with Michael and annoyed by Kevin, agrees to go on a date with him. Kevin, wary of Michael, convinces Ben to check on her with him, where they find Michael absorbing his powers and turning her into a zombie. Michael is revealed to have been the one zombifying his classmates, stealing their life force for themselves. Gwen is able to defeat Michael, and the girls take their life force from him, distorting him in the process. Kevin then destroys Michael's plumber's badge, and Ben apologizes for being too quick to trust Michael. Omnitrix Foreign Debut: Chromastone 66Max OutButch LukicJim KriegMay 17, 2008 (2008-05-17)107 Gwen's older brother Ken is missing, and she asks for the help of Ben and Kevin to find it. The gang falls on a Highbreed base in a small town called Santa Mira that makes Teneocytes, headcrab-style parasites that mutate humans into DNAliens. Ken was infected with one of the Xenocytes, but Ben is able to remove it with the help of the Omnitrix. With Ken in tow, the gang finds Grandpa Max inside the base. While the team and Ken destroy the Xenocyte expeditions, Max sets out to destroy the plant while searching for the laying machine. Upon their return, the gang finds Max locked in battle with a high-race commander. In an act of self-denial, Max uses an untargeted Null Void projector to destroy the highbreed in the process. 77Pier PressureDan RibaLen Uhley May 31, 2008 (2008-05-31)106 Gwen convinces Ben to ask for his crush, Julie Yamamoto, on a date at a nearby amusement pier. Meanwhile, an alien spacecraft crashes into Earth and unleashes a small symbiotic alien that stalks and attacks Ben. The alien kidnaps Julie and lures Ben onto the crushed ship, which Ben finds is on a countdown of self-destruction, with a galvanic Mechamorph (the species of Ben's alien Upgrade) is trapped inside. Ben is able to save the Mechamorph, Baz-I, and prevents the ship from exploding. Baz-I explains that the symbiotic mechamorph, nicknamed ship, was sent to find a plumber to save him, and took Ben for a due to the Omnitrix. Baz-I repairs the ship and leaves Earth, leaving the ship in the care of Ben and Julie. Ben and Julie then return home together, while Ship runs away. Back at their meeting place, Cash puts the glove on, planning on using his built-in laser blaster to destroy Ben once and for all and repair their reputation, but the entire robot armor begins to reform around Cash's body. In doing so, the arm mingles with him. After recalling his friendship with J.T., Cash's will prevails over the robotic arm, and he gradually shrinks in size to the point where Cash can remove it. J.T. and Cash are back with new respect for Ben. Omnitrix Alien Debut: Goop 1010ParadoxButch LukicJim KriegJuly 5, 2008 (2008-07-05)112 The team gets word from a strange creature wandering around an abandoned desert town called Los Soledad. The creature seems to age everything it touches at an accelerated rate. While Ben, Gwen and Kevin investigate, they see a strange man who seems to be able to disappear at will. After trying to fight him, the team learns that he is Professor Paradox, a scientist who has been sucked into the event horizon of his time travel experience. Displaced from time and space, Paradox is able to move through time at will. However, the same mistake that made it ageless created the creature they are looking for. After analyzing his movements, they come to the conclusion that it was Paradox's assistant, Hugo, and try to travel back in time to prevent him from turning into a creature. As they open a portal and push Hugo away from him, Paradox gets the leverage of gumballs, which he claims are by time, and they are able to place Hugo, and Paradox exchanges jokes with him before he leaves. Kevin discovers that Paradox has fixed his car in the process. Inside, he discovers a note saying that if it were to come into contact with something from 1976, it would explode as an antimatter. 1111Be-KnightedDan RibaStan BerkowitzJuille 12, 2008 (2008-07-12)108 Kevin arranged a meeting for Ben with the Knights most powerful warrior, Sir Connor, in a failed attempt to destroy the dragon, Ben notices that the dragon seems to be trying to communicate. The team leaves the dragon with a universal translator so he can speak, and he reveals that he is a foreign cartographer, but has been captured by the Knights Forever. Ben helps the dragon find his spaceship, and he leaves in peace. He then begins to question the motivations of the Knights forever. 1212Aides PlumbersDan RibaLen UhleyJuly 19, 2008 (2008-07-19)111 A pair of rogue, half-human plumbers, a human-Kineceleran woman named Helen Wheels, and a human-Tetramand man named Manny Armstrong, attacked errant DNAliens and all the other aliens they could find, and sucked them into a Null Void projector, believing that the DNAliens team is disguised, they kidnap Kevin, intending to use him as bait for Gwen and Ben. After his rescue, both parties train. After looking at a database of aliens they captured and put in the Ull Void, Ben realizes that some of them may have been the children of plumbers. To make matters worse, the duo got into the Null Void to save those they unjustly imprisoned. 1313X - Ben - 2Butch LukicMatt WayneAugust 31, 2008 (2008-08-31)113 The daughter of Emperor Incursean Milleous Attea is abducted by the bounty hunter Sevenseven. The two men are forced to work together to fend off the planet's chagrin. As they cross the desert, the two men save each other from the danger of violent native wildlife, even risking their own lives to do so. The day before they access the routing station, a creature attacks them, cutting off Reinrassic why he to stay back. Reinrassic says he does it because his Methanosian right hand has made him unclean by highbreed standards, and that only the purebred top can with the invasion. 163Good Copy, Bad Copy[a]Butch LukicStan BerkowitzOctober 24, 2008 (2008-10-24)203 A Galvan (Grey Matter's race) named Albedo builds his own Omnitrix and is permanently stuck in Ben's human form (wearing since the Omnitrix, Ben's DNA has become a default in the Omnitrix). Desperate to find Ben, Albedo resorts to the destruction of DNAlien hives and forever knight castles, demanding information about the teenage porter Omnitrix. When Gwen and Kevin hear rumors that Ben would cause all this damage without them, they naturally distrust the real Ben, who studied for a physics test with Julie all the time. Gwen and Kevin find Ben pulling out another hive and stopping him. When Ben answers Kevin's questions, his left eye begins to shake, suggesting that he is lying. The real Ben comes soon after. The fake Ben reveals himself as Albedo, a Galvan, and the creator of the Omnitrix. When he asks for omnitrix's back, his left eye twiches again. Ben, thinking that Albedo is a Highbreed, demands that he reveal his face. Albedo tells him that this is not possible because he took Ben's DNA being fixed as a defect for the Omnitrix. Albedo turns into Jetray and flies to a computer factory, but Gwen follows him with the mana he leaves behind. When they follow him there, Albedo sticks Gwen and Kevin to a wall with foam wrapping. Ben and Albedo continually change shape as they fight. When their two Omnitrixes time out, Albedo makes a final plea to Ben to remove the Omnitrix. When their two Albedo reaches out and tries to hit Ben. As Ben walks away, his Omnitrix locks with Albedo. It sends an energy pulse that makes Albedo's jacket red and his hair white. Azmuth teleports to the facility and tells the group that Albedo, effectively trapping him in his human form, and sends him to a prison in the Null Void, where he plots his revenge and demands chili fries. 174Save the Last DanceDan RibaAmy WolframNovember 7, 2008 (2008-11-07)204 Gwen asks Kevin to seek Ben's advice. However, Ben has his own problems as Big Chill is trumping the Omnitrix, and taking over his body with every transformation. Whenever this happens, Ben finds himself lying on a large metal structure that continues to grow every time he finds himself there. Despite Julie helping him take note of his transformation into Jetray, he unwittingly hits the Omnitrix and turns into Big Chill. Ben has no recollection of the second transformation that is taking place Julie tells him in the morning. On the evening of the dance, the band finds themselves following Big Chill to the large metal structure. It bursts open, revealing green goo inside. Several goo bubbles emerge and of them are baby necrofriggians. Kevin reveals that Necrofriggians reproduce asexually every eighty years, which means it will be unlikely that Ben will ever have to relive this. Big Chill sends his children to live in the nepfriggian home world, and Kevin jokingly calls Ben Mom when he turns around. Seeing that they missed their dance, Gwen and Kevin decide to do it in the desert. 185UndercoverButch LukicAdam BeechenNovember 14, 2008 (2008-11-14)205 After trying to test a broken teleporter pod, the team decided to get help from Cooper Daniels, the young boy who had helped the Tennysons in the past.
