Animations Add an image to this gallery Additional Notes Cage's image is different in versus mode. Versus - Cage's second appearance in the saga. After this game, Daniel Pesina was fired for using Cage's costumes for an ad from another video game. Bloodstorm. This was the reason why the character was not considered for MK3. Although in the history of the game, the character was killed in the invasion of the Earth by Shao Kahn, Motaro being the one who gave him the coup de grace. Cage is the only character that has a different image in versus mode, the others use the character selection screen image. After the popularity of Cage's first Clitch in MK1 in Arcade, MKTeam introduced the same error for the second game using a different execution sequence. In the early arcade version of the MKII test, the word Otomix appeared in Cage's pants (which were worn by actor Daniel Pesina during filming), but was omitted from subsequent updates to the chips. Otomix is an established supplier of martial arts and sportswear. The kick of the legs can't be used when you're fighting a woman. Your fatality can be done three times in a row.
