Embora venha com animações que vão agradar qualquer fã de ação, infelizmente o game é só isso: uma série de vídeos emocionantes fracamente ligados por uma jogabilidade ruim.Como dito na descrição do game, Sift Heads World se baseia em dois estilos de jogo distintos. O problema é que nenhum deles tem uma boa execução. Na hora de explorar os mapas no estilo aponte e clique, não espere nenhum tipo de puzzle ou qualquer forma de interação relevante com o cenário. Na maior parte do tempo, tudo que você pode fazer por aqui é ir do ponto ao B, ocasionalmente coletando um item nada escondido para abrir uma porta e continuar seu deslocamento. (Intau), Timos, one of the barts la Mirar e atirar nos inimigos não é difícil, mas é praticamente impossível matá-los antes de levar uma saraivada de de They also begin to attack with full accuracy before the player even realizes that they are in a new area. The result is that with this, you are asked to save where opponents appear and walk all the time in action mode. The only point you can save on all this is the animated scenes. These are particularly impressive by the art style which, although they are made in 2D, give the impression that they are three-dimensional. So if you're the type who just likes to jump between one animated scene and another, Sifting World Heads Law 1 may even be an interesting experience. But for those who want something beyond that, this may not be the best game option. Game.
