It usually makes the puh sound, as in the pan. This occurs especially when the letter P does not work with another P consonant is silent when followed by the consonant s, t, or n at the beginning of a word (as in psychic). Also, when combined with the letter h, the grapheme ph is formed that sounds like f (as in physics) Activities are organized from the easiest to the most difficult. Feel free to go only part way activities according to the child's comfort level! Letter recognition activity sheet: Hidden image -- paint the capital letter P a color and the lowercase p another color to reveal the hidden image. Connect the dots: Lowercase letters A through P. Words beginning with the letter P: Words ending with the letter P: Words ending with the letter P: Activity sheet: Say the name of each image aloud and listen for the sound Pp. Activity sheet: Modern script: Detection (printing) of words ending with the letter p. Activity sheet: Standard font: Detection (printing) words ending with the letter p. Activity sheet: Draw a line in the words ending with the sound of P. Activity Sheet: Paint the words ending with the letter p pan pen pet pink police pot puddle purple words ending with the letter p cup cap hop lamp rim sheep stop top Other links : Although activities are more geared towards the preschool age group, adding one or two less difficult activities when learning letters can be a welcome break for children and can be given as a bonus activity for those who finish their work early.
