This update optimizes navigation to restart the decoders and passes improvements to reported errors. Thank you for choosing us. PermissionsView Permissions We gathered a whole world of entertainment in one small app. Watch live TV or catch up on the latest on-demand movies and shows. With the DIRECTV app, your favorite entertainment always goes wherever you go. We've made a lot of great changes recently. Here are some crowd favorites: WATCH• Watch thousands of your favorite movies and shows, live or on demand. • Enjoy the latest versions of DIRECTV CINEMA and buzz-worth of entertainment from top premium channels like HBO®, Cinemax®, STARZ®, ENCORE® and SHOWTIME®. • Start watching the On Demand program on one device, pause, then continue watching on any other device. • Watch with ease. When you're done watching an episode of a show, the next episode will start playing automatically. • Start watching a show on to send it to the big screen. Conversely, send it from the TV to yourBROWSE mobile device • Get quick access to your favorite entertainment right from the app's home screen. Customize it to show only what you like, such as Live STREAMing on TV or Popular in your area• Make wise decisions with detailed program descriptions, show and team information, photos, recommendations, and parental ratings• Tap the new Free filter to view movies and shows that don't require extra paymentRECORD • Set your DVR to record movies and shows from anywhere. You can record a single episode of a show or entire series with just one tap • Add more time to the beginning or end of your recording request so you don't miss a second of the action — even if your program is running overtimeCONTROL • Use your mobile device to stop, play, and rewind the program running on your TV. • When you want to find a show, just talk. Voice search can help you find exactly what you're looking for. You can even set it to show results on your TV • Set parental controls and enjoy peace of mind over what your kids watchREQUIREMENTS - Android phone with OS 4.2 or later- DIRECTV customers must have a residential account registered on the DIRECTV website to access the DIRECTV app for tablets.- Watching a request or selecting TV Streaming outside the home requires active Wi-Fi or 3G/4G internet connection. For best performance, connect to a strong Wi-Fi signal.- Available content is based on your current program package and premium service. Not all content is available for streaming at this time.- Live streaming on home-only TV and remote control requires Wi-Fi connection to your home network and DIRECTV Plus® HD DVR (models R22, Genie and HR20 or higher) connected to the same network. The remote control also comes with HD receivers (models C31, H21 and higher). - All features and programming at any time can be changed. Power failure rules and other conditions apply to sports programs.- Recording scheduling requires Wi-Fi connection or 3G/4G internet connection and DIRECTV Plus/E DVR or HD DVR. Receivers do not require a phone or Internet connection to schedule a recording. For full information on technical requirements, please visit: Tips, Tricks and Customer Support, please visit: This DIRECTV App features proprietary Nielsen measurement software that will allow you to contribute to market research, such as Nielsen TV ratings. Please refer to the digital privacy policy at for more information about this Nielsen measurement feature. DirectV's use of an Android app by DIRECTV customers is subject to the DIRECTV Customer Agreement and Microsoft Word: Write, Edit and share documents on the go 16.0.13530.20130 Microsoft Corporation DIRECTV Download the DIRECTV application, satellite your DIRECTV service and enjoy a world of entertainment. Watch live TV and recorded shows, catch up on the latest movies and shows on demand, and schedule recordings of your DVR — no extra equipment, no extra cost. Plus now stream DIRECTV data for free on AT&T.\*\*WATCH \*\* Watch thousands of your favorite movies and shows, live or on demand • New! Free data TV allows you to transmit DIRECTV to your devices without using your data (requires eligible DIRECTV data and DATA services of THE AT. Except for &rest&: Apply. Content varies and must be transmitted through the DIRECTV application. Use wireless service conditions, including those related to data speed. Streaming may not work at reduced speeds.) • New! Stream or download your home DVR records to your devices. • Enjoy the latest versions from premium channels that you subscribe to like HBO®, Cinemax®, STARZ®, ENCORE®, and SHOWTIME®. • Switch screens! Watch your favorite show on one device, then press a button to send it to the big screen. And vice versa - send a show from your TV to your device!\*\* RECORD \*\* Record your favorite movies and shows from anywhere!• Content works long? Add extra time to your recording and don't miss one second of your favorite content\*\*CONTROL\*\* Use your mobile device to pause, play and scroll through the program running on your TV• When you want to find a show, just talk up. Voice search can help you find exactly what you're looking for. You can even set it to show results on your TV • Set parental controls and enjoy peace of mind over what your kids are watching\*\*\*\* requirements\*\* Android phone runs OS 5.0 or later• DIRECTV customers must have a residential account registered on the DirectV website to access the DirectV tablet app• Watch On-demand or select Live TV Streaming channels outside the home requires active Wi-Fi or 3G/4G Internet connection. For best performance, connect to a strong Wi-Fi signal. • Available content is based on your current program package and premium service. Not all content is currently available for streaming• Live streaming on home-only channels and remote control requires Wi-Fi connection to your home network and DIRECTV Plus® HD DVR (models R22 and HR20 or higher) connected to a broadband Internet connection.
