jcpenney Information Security Before I log in ... I want to change my password or reset my lost password This site contains confidential information related to jcpenney business, operations, sales, customers, suppliers or associates. Disclosure of confidential company information by any means, without proper authorization, is prohibited. This includes posting this information internally on other unrestricted JWeb pages, or externally on the Internet on message boards, newsgroups, chat rooms, or other public forums. Unauthorized release of financial and other non-public information, including unreleased sales and marking information, may also violate certain government regulations. The above conditions are covered by the company's Corporate Ethics Statement and the Jcpenney Information Security Policy. The policies presented herein apply to all members of the Company, its national subsidiaries and foreign subsidiaries to the extent permitted by law, as well as to non-jcpenney personnel, including contractors, consultants, temps and other users. All users are responsible for understanding these policies. The entry on this site acknowledges your understanding and agreement to comply with these jcpenney policies. Failure to comply with them may result in dismissal. ©2008-2020 J.C. Penney Company, Inc., All Rights Reserved. JCPenney, sometimes written as J.C. Penney or JCP, is a network of department stores, based in Plano, Texas.The company employs more than 90,000 people and operates more than 800 stores in the United States and Puerto Rico, selling clothing, jewelry, cosmetics, electronics, furniture, household items and more. Jc Penney Associate Kiosk is an employee portal, located in . This URL redirects to the JCPenney Kiosk login main page at: new jcpenney Associated Kiosk login page is found in Jcpassociates.com.Why can I use the JCPenney associated kiosk? JcPenney Associate Kiosk is similar to the websites or employee portals of many other companies, providing access to important information and team resources, even when at home. In particular, the Associated Kiosk provides access to information related to working hours, payment slips, W-2s and other tax information. It can also be used to view information about company benefits, follow the latest company news, and request career changes within JCPenney. In addition, the team can use the service to keep contact information up to date. How do I sign in to my JCPenney employee account? To log in to your JCPenney employee account, you first access the main login page, which can be found at: . The URL should automatically redirect you to the current login page, but if not, you can access it at: then the following options:-- Associated Kiosk - Home - Arbitration of Employment Disputes - W-2 Electronic and Reissues - Instructions for Ex Associated Kiosks - Former Associated Kiosk - Powerline Contact Information / Benefits - Salary and Employment Verification - Associated Recognition - Associated FaqIf the Option Associated Kiosk @ Home and you must be presented with the main login form, requesting your Name and User Password. Your username is the JCPenney employee id number. It should be nine digits long, starting with leading zeros. Your default password follows a default convention, which is as follows: JCP (uppercase) + your birth month (two digits) + your year of birth (two digits) + the last four digits of your SSN. So to give an example, if you were born in January 1990, and the last four digits of your social security number were 1234, your password would be: JCP01901234. 01 would represent January, the 90 would represent its birth year of 1990, and 1234 would represent the final digits of its SSN. Do not put spaces in the password. Once you've entered your login credentials, click 'Login' to access your account. How do I change or reset my JCPenney associated kiosk password? Visit the login page . Click Associate Kiosk @ Home. On the next page, click the link labeled I want to change my password or reset my lost password which is to the left side of the login fields. UPDATE: If the link above doesn't work, visit: . Enter your username, old password, and new password to change your password. I can't get into the jcp associated kiosk. What's the big deal? If you have problems trying to sign in, work on these troubleshooting steps. The first thing you should do is check both your internet connection and your wi-fi connections, to make sure you actually have internet access. A quick way to do this would be to refresh the page or visit any other site. If it loads successfully, you can progress knowing that the problem is not with your connection. The page may not load, even if your connection is fine. This may be caused by problems with the service itself, or you may have entered the URL incorrectly. Note that the JCPenney associate KIOSK has changed the web address, so make sure that you are using the right address and that the address is up-to-date on your bookmarks. Next, you should verify that you have entered the right User ID and password. The service password is case sensitive, so keep in mind and make sure caps lock is set to 'OFF'. It can be difficult to see certain typos, such as zeros in place of 'O's and vice versa' vice versa' try to delete what you entered and re-type it. If you typically copy and paste your credentials, make sure that you have not accidentally copied a space at the beginning or end. If the issue has not yet been resolved, make sure your browser is up to date and clear your cache and cookies before trying again. Alternatively, use in-box mode or try logging in using a different browser, with Google Chrome and Mozilla Firefox being two possible options here. It may also be worth disabling any plug-ins or add-ons. If your problems persist, please contact your General Manager or HR Coordinator. JCPenney Associate Kiosk FAQsHow do I print a copy of a paystub? After logging into your account, you can access your paystubs by clicking 'My Money' and then clicking 'Pay' on the left side. A filter icon at the top of the page lets you sort the paystubs according to the date. Find what you are looking for, click on it and then you should be able to print the paystub. It should be noted that the service uses a pop-up window, so make sure that pop-ups are enabled. You may need to disable the ad blocking software temporarily. How do I print a copy of a W-2 tax form? You can access your W-2 forms through the JCP Associated Kiosk by logging in using the usual method and clicking 'View W-2/W-2C forms'. An option at the top labeled 'Display a different fiscal year' will allow you to see previous W-2 forms. Click the relevant W-2 form that you want to print and the form should appear, allowing you to print. You'll need to make sure that pop-ups are enabled, which means that ad blocking software may need to be temporarily disabled. I didn't get my salary. What am I supposed to do? If you have not received your salary, or if it was lost or stolen, the best way is to call Powerline Payroll at: 1-888-890-890-8900. Explain the situation and they should be able to issue a replacement. I got my salary, but the details are wrong. Who should I talk to? The best point of contact here will depend on what the incorrect information is. If the number of hours worked or your hourly rate is wrong, you should talk to the leadership team at your workplace to correct this information with them. If your deductions are wrong, you'd better call your Powerline Health and Insurance number at 1-888-890-890.8900. Once you pass, explain the problem so that it can be fixed. I can't access the associated jcp kiosk. Who should I contact? In most cases, the best option here is to contact the leadership team at your workplace and request assistance. Depending on the of the problem, you may be asked to come up with a new password in order to keep your account secure. This password will need to contain letters and numbers, without special characters. Who can I talk to if I have a question about embellishment? For queries queries ornaments, you must contact ADP directly. A toll-free number is available at: 1-866-324-5191. You will need to provide security verification details such as your name, social security number (SSN), and case ID. If you are unsure of your case ID, you can provide the last amount that was deducted from your salary instead. Why can't I access some systems after returning from a license? Once you have your access restored after a license, it will usually have an overnight upgrade before actually getting full access to all systems. If you're still having problems, try using the options at the kiosk to change your password. Otherwise, you'll need to talk to the leadership team at your workplace. My license dates are incorrect. What am I supposed to do? If you return from a license and there is a discrepancy related to the dates of your license, you will need to report this to the PAMC case manager. Provide accurate details about how long you have been away from work and they should be able to fix the problem for you. What should I do if I lost my skylight card? The best thing to do is to talk to your store's leadership team for official steps. You will also need to call Skylight at 1-877-814-7679. Using this number, you will be presented with different options. Press '1' to activate a new card. Press '*' to report a lost or stolen card, or to inform you that you have not received your Skylight card. What should I do if I have a policy-related question? All policy-related issues should be addressed to the leadership team of your workplace. You can do this by speaking to them in person, or by contacting them by phone, email, or in writing. My MTO/PTO balance is incorrect. Who should I contact? Use the Power Line Benefits Library to access relevant MTO/PTO information. If you need to make a correction, or if you have a question about how the value was calculated, talk to the leadership team at your workplace. What is JCPenney JTime and How to Use It? Employees who want to view work times through the JCPenney Kiosk will need to use the JTime Launchpad app. To do this, all you need to do is log in to your account in the usual way and then click on 'JTime Launchpad', which you should be able to see on the left side of the main panel. Once JTime has been successfully released, you should have full access to all information from your work schedule. How do I contact jcpenney's Associate HR Department? Occasionally, you may need to contact someone at JCPenney, even when you are not at the The main number of Human Resources (HR) jcpenney is: 1-888-879-2641.You can also get to HR via email at: If you prefer to talk to someone at the main head office, call: 1-972-431-1000.For tax-related questions, you call: 1-800-567-W24U (9248)Finally, the address of JCPenney Corporate Office is: JC Penney Headquarters, 6501 Legacy Drive, Plano, TX75024, USA.
