This book is designed to help students choose, modify or confirm career choices. The Career Fitness program focuses on today's career realities and economy - with enough width to encourage change and growth for students of all ages, backgrounds and circumstances. Easy to read, easy to read and suitable for all learners, it provides three skills for working in teaching and career learning - choice, change and confirmation that they help students find their career suitable. For the choice of profession, the book follows the standard series of career search and decision-making questions - personal assessment, World of Work and Job Search. For a career change, he offers critical questions that go beyond facts and figures to help learners focus on What's in it for me? especially when we're changing our careers. To confirm a career, it provides guidance, understanding and reassurance, showing students how skills acquired in college can be transferred to the world of work. Customize learning with MyStudentSuccessLab[™] MyStudentSuccessLab is online home a lesson and evaluation program designed to work with this text to engage students and improve results. Within their structured environment, students practice what they learn, test their understanding, and follow a personalized learning plan that helps them better absorb course materials and understand difficult concepts. 0134039467 / 9780134039466 Professional Fitness Program, The: Exercising Your Abilities NEW MyStudentSuccessLab - Package Access Package consists of: 0133939243 / 978013939248 MyStudentSuccessLab -- Glue in Access Card 0133939255 MyStudentSuccessLab -- Inside Star Sticker 0321979621/9780321979629 Professional Fitness Program, On: Exercising Your Options 1.
