As of September 27 2020 Over the past few weekends, both the Alberta and Calgary 5 Pin Bowlers Associations have met to discuss the recently started 2020-2021 season. We wanted to update you on the status of Calgary 5 events as well as a summary of the provincial events (also check the recent letter shared on the Alberta 5 Pin Facebook page). Updates postponed 2019-2020 Season Events: Alberta 5 Pin Events (PROVINCIALS) -Open Championship Provincials -Hi-Lo Doubles Provincials Since one of the Alberta 5 Pin Update from September 25, both events have unfortunately been canceled under AHS guidelines and restrictions currently in place, and deadlines are required to plan and run these events successfully. Elimination ticket draws take place at both events (as many tickets have already been sold), and Alberta 5 looks to have these draws done before the end of the year, after all tickets have been cleared from all zones. Calgary Youth Bowling Series Event #4 regrettably, the Calgary 5 Pin Bowlers Association decided that at this point in time, we could look to cancel the postponed event #4 youth bowling series. A future update will be published on the status of the series and the state of the 2019-2020 series championship. 2020-2021 Season Events Based on the discussions at the Alberta 5 Pin meeting on September 19, and the Calgary 5 Pin later meeting, we are pleased to report that the following events will take place in the upcoming bowling season (pending negative developments in the COVID-19 situation, leading to tighter AHS restrictions): -Youth Challenge Championships -Open Championships -Inter-Provincial Championships -Hi-Lo Doubles Some these events will be subject to some modifications to comply with AHS restrictions, but we look forward to running those events this season. Check out the more details to be released for each event on our Facebook, website, and local hub! At this point in time, the Youth Bowling series remains suspended in its current format, but we hope to be able to run one or two standalone Youth Cash tournaments later in the season, stay tuned for more information. The COVID-19 situation remains fluid and we encourage you to follow the Facebook page for all updated information. We are all delighted to be back in league bowling this autumn and we know that some cancellations and changes to events are not ideal, but safety for everyone is the most important of any decision that has been made and we look forward to hosting some big events this season for all of our members. The team of 18 of the Edmonton 5 Pin Bowlers Association will now roll into the national tournament in Surrey, B.C., in late May, hoping to remain in a winning way. Edmonton is one of the best zones in the country. We're kind of a bowling hotbed here, association president Tim Wiseman said Monday afternoon. We always expect to win, but we can't take anything lightly. In last year's race, team Edmonton won both races, but none of the three team competitions. This year Red Deer, Adam Weber and Jennifer Baker repeated the men's and women's individual champions and joined the top spot in the podium of the men's, women's and mixed teams. It's pretty incredible, to be honest with you, Wiseman said of the first provincial sweep. That's quite a feat, Alberta is one of the toughest provinces to get out of by far. Five-ball bowling is only played in Canada, and balls have been rolling on our original wooden lanes since '59. Since 1959, we have been a third-generation family business. Lawrence Stride opened in 1959 and created a gathering place where people could socialise and the art of bowling. Lawrence's son Terry took over this Edmonton mainstay in '77 and kept the good weather rolling for 40 years until he decided it was time to trade his bowling shoes for a cold pint and a warm patio. Terry has now handed the ball to his son Trevor, who continues the tradition of giving people a great place to gather with great people.
