aside from his regarded attitude, to the extent to which he seems to descend on Tenno without First Gear. In spite of this, Baro Ki'Teer showed a willingness to help Tenno's rise for a price, as he was the one who gave the archwings constructed data. Many of his legacy dialogue arrivals suggest that he
has access to the Void and has entered it to relocate rare treasures, an impressive true feat, considering the hatred of some of the articles suggests a big risk. Cryotic Surgery Referring Itself as an Associate Mystery, Baro Ki'Teer's Anonymous Contact Tenno, offering his assistance in combating the
threat to the Boral Fomorians. He explains that it will give them the technologies needed to defeat the Fomorians (as well as additional rewards for outstanding performance), but in exchange the Tenno must harvest cryotics, which (at this time) can only be discovered on certain planets in the solar
system. As Tenno collects the crucial and additional reward, Baro Ki'Teer reveals that he needs the cruciotic to preserve Martian Oasis Jellyfish, a consultation that blew easy during transportation. In a series of deals after the event, Darvo revealed Teer Kier's identity to The Tenno, commenting that he
makes this to make him appear mysterious to his client. She reveals that she decided to sample the Jellyfish, exchanged a full track of first blueprints with the two Argon Crystals to do so, only to throat her snore for a few days as a result. This suggests that Darvo has revealed Baro Ki's identity only
despite him. Operation: Gate crashed shortly after the events of Operation Cryotic Front, the opening message for Surgery; Gate crash revealed that Baro Ki'Teer gave the test a data containing information about a former piece of technology; Archwing, central of Tenno's plan to defeat the Fomorians
Balor Hek. Whether or not Barred Ki'Teer involved further in this surgery is left unsaid. Sands inaros Baro Ki'Teer requests Tenno's assistance in riding of a temple located on Mars in search of treasures, derisively calling his previous colonistate (before Grine pranover) Sky Adorpers. As The
Tenno Explores Temple, a mysterious voice starts naring the legend of The Inaros King that protects the sky worship from Golden Skymen and the infestation, which begins to unnerve the void vendor. The tenno collects a Sacred Nurse in the Temple, and Baro Ki'Teer encourages them to fulfill their
peering registration to discover more of temple secrets. When Tenno is exploring more of the temple which is increasingly becoming increasing i
survived the salt in a Grine attack on his village, and despite Prause Inaros, the King God never happened, causing his resentment toward his former home. At peace with his past, Barred Ki'Teer thanks to Tenno, noticed that the King's God will rise again. The Trivia Ducats it uses as money are named
after a real currency made of gold or silver used in medieval moments until the 20th century. Barred Ki'Teer will treat players bearing any weapons first or Warframe with respect, occasionally praising them to be the one with delicious. It won't treat players putting Accessory Accessory Accessory or Prime
lay with the same respect, maybe because the letter is actured from him. It will also revere players using Inaros and Inaros that don't make a purchase, however. Barred Ki'Teer has a very large amount of voice lines, and will often comment on the
player's equipment. When leaving announcement to store it without purchasing something, and you don't have a first-equipped item, it will often comment on how the player has something to work towards, preventing the items from reaching them, or recommending Darvo as an alternative, impressive that
he finds the darvo trader is at a lower level than him. The clock in game is inexact, reflecting the time until Barred Kier arrives at a relay, it appears in a blue flash with small emitted particles, similar to many animation designed with their capabilities. During
TennoCon 2017, Baro Ki'Teer arrived to a special call accessible by anybody who purchased a ticket. His inventory had everything he ever sold until 8th July, 2017. Similarly, during TennoCon 2018, his inventory of all things ever sold until 7th July, 2018. Baro Ki'Teer voices by Paul C. Nodine. Patch
