Up, modry mods would be nice +1 please mod this game 1 hit mod or unli BRV please. Any update on this sir @G-Bo? :) Page 2 so hard to mod this game. +1 I hope you can mod this game. guys have created a mod for this game. Its on VIP now.. We're going to need one soon. Yes. have been able to mod this. hope you can mod this game ^^ Im waiting for this modd... Put it on VIP, so pm can compete with ar haha VIP to expensive on \*\* drop this wouldn't mind paying \$10 Page 3 I will get VIP if this gets mod for VIP Maybe you can mod the items, gold and colored crystals we get from mission to x2? Hehe that will accelerate the lvl of char. Reactions: Molisaki Something on this mod ?waited over a week ): can we know if your will mod it please? i don't want to pay vip member on the other site ,bad experience i would mind toy buy vip member here Any update on this? Are they working on this already? Excited sorry haha, will go on VIP for this game. Please, GBO mod this game. I've been asking about modding. It says: To log in with google, you need to be rooted. My phone is not rooted so will using the modded version cause no problems on my phone and can this be revered? +1 will get vip asap for this mod Any update on this sir @G-Bo. :) Reactions: Hamdh616 Page 4 Up! (Medium : this person is also interested in a Mod for this Game) Please someone Mod this and release Free! already have a Mod, why do we have no Mod yet? Oh, that makes sense. I'm not used to hearing people resign, that's why I was confused. Most of the time I hear people say things like +1 Reactions: 7H HCHICH☺☺ Allows mod this game already In App Buy 80% AV available from PlayStore to The Following Games. Reactions: Molisaki yes... I would love to see a mod for this game. Hi? Any news on this? 2 updates to the game.. still no mod.. I guess that's not going to happen in here. sad that no one gives hope for this.. requires a VIP for this Also. I'd rather give my \$to G-Bo...\*\* is pretty expensive but but Popular games are on it like, Marvel Future Fight, HIT, Seven Knights, Dissidia and many more. I heard this game is very difficult to mod.. so many had tried and failed to crack.. guess \*\*\*\*\* guys have good hackers.. Page 5 You can still comment on this thread so we are DONT ingore this REQUEST. And yes, as you said it, AR already had this courage but for sure I want to say. You want to play it? Just spend \$20 to play it and that's if you're a free-to-all user. For VIP members, you can donate and support us, it's your choice. Even if someone still thinks Platinmods ... Blah... Blah... blah don't have this mod but ar already had this mod... Blah... blah then just donation for them and play their VIP mods Reactions: Molisaki You can still comment on this thread so we are DONT ingore this REQUEST. Reactions: Molisaki Lol... that's how you get more donations,avoid an issue and note back your position, all in one message. My regards. LOL see as Im avoiding a question? xD I already replied some guys AR have all, just spend 20 \$ and you will have everything you wanted. And the points get more donations, hey we don't force all member have to donate for us, we didn't add all mods would be free in the VIP section so what do you mean about getting more donations? xD Reactions: Molisaki LOL look like Im avoiding a question ? xD I already replied some guys AR have all, just spend 20 \$ and you will have everything you wanted. If so, why is not any body that provides an update on request. This thread is not about money.. people need to know if someone is even working on a mod, if no, we can all continue with what is on our lives.. Molisaki, wesleySchneider wesleySchneider bharjs of course, they are not giving money for them to do (vip)... FFOO. we can pray as much as we want, only they have this mod So they are still trying to mod this game o no? I don't know if they're trying, but if they do for VIP, I'm going to be one. English. Are you talking that? Pls guys mod this game... thanks +1. If they add this to vip i will be vip ok just tell us if this will be free mod or not if not just close this
