The University of Maine at Farmington Student Portal is your one-stop place for accessing and managing your personal University of Maine at Farmington information. In addition to having the information you need presented to you automatically. About the University Established in 1864, the University of Maine at Farmington is a non-profit public higher education institution located in the rural setting of the small town of Farmington (population area of 2500-999 inhabitants), Maine. Officially accredited and/or recognized by the Commission for Higher Education institutions of the New England Association of Schools and Colleges, University of Maine at Farmington (UMF) is a small (uniRank enrollment area: 2000-2999 students) coeducational higher education institution. The University of Maine at Farmington (UMF) offers courses and programs that lead to officially recognized higher education degrees such as bachelor's degrees in several disciplines. This 155-year-old higher education institution has a selective admission policy based on students past academic records and grades. The admission rate range is 80-90% making this American higher education organization a least selective institution. International applicants can apply for registration.
