My brother and I are having a great time playing together and it wouldn't be possible without the great work of plutonium. Other so I can't say yet this bug is static, but I'll keep this thread updated. We were playing on custom games connected via LAN (same as Wi-Fi). In the meantime let me share a video showing a glitch. (If it's not faulty I don't apologize for the misunderstanding. Call of Duty: Black Ops III > General Discussions > Subject Details of Lightning Staff Promotion I know the origins in their current state is disgustingly glitchy (crashing a recurring issue), but during the piano step to upgrade the lightning staff, does anyone else have trouble resetting it? Walk away from him after hitting three notes (regardless of whether it's true or not), leave a crazy place and shoot other notes but the electrical effects and noise still stand. Is this a problem for anyone else? Also, I had a similar problem with the torch step for the fire men.
