Related USALL WHEEL AND TIRE PACKAGE PRICING VIDEOS INCLUDE ASSEMBLY, BALANCING AND SHIPPING IN THE LOWER 48 STATES. TYRE PRESSURE MONITOR SENSORS (TPMS - \$179 ALL 4) AND LUG NUTS (\$45 W LUGS ALL 4 SETS LOCK) CAN BE ADDED WHEN CHECKED OUT. Wheels, tyres, delivery and warranty are provided by an authorised distributor to sell hundreds of brands at the best available prices! So check out our thousands of wheels or ask about a custom order just for you! Our is to provide our customers with outstanding customer service at unsurpassed prices! ShippingWe boat in the Lower 48 states for the advertised price. With the size and complexity of the ship's wheels and tires, always allow 2-3 weeks for our normal packing and shipping process. We can send worldwide for an additional fee. Please contact us for international shipping prices. Custom Offsets is not responsible for any customs fees, the customer is responsible for all fees and paperwork above and beyond the standard freight costs. Simply select the Fitment Assistance link at the top of any screen. WHAT TO EXPECT AFTER DELIVERY 1. Please review each section before signing any documents. If your items are shipped via UPS/FedEx soil, a signature is not required, but be sure to review the products as quickly as possible and follow us if there are any problems so we can help! 2. If you are damaged, please take complete notes on the documents before signing. 3. If damage is detected after signing the documents, make sure that we are notified within 5 hours of receiving the order. WarrantyAll wheels and tyres carry a full manufacturer's warranty, please ask for more information. All refunds or cancellations outside 24 hours of an order typically carry approximately a 20% restocking fee from the appropriate manufacturer (this includes wheels or tyres delivered from the manufacturer to our warehouse to prepare your order). The buyer is liable for return delivery and restocking fee (at the manufacturer's discretion) if he returns without a warranty claim or problems with lack/quality. Requests to change wheels or tyres outside 24 hours can also carry a restocking fee of approximately 20% depending on where the order is in progress. Wheels can not be returned to the manufacturer after mounted tires; nor did the tyres return after being driven away. If you have any concerns about fitment, refunds, warranty claims, etc., simply share these concerns via email, and our experts will work with you! The SDWC is directly responsible and manages the sale of wheels and tyres. WARNING: This product may expose you to black carbon extracts, which the state of California is known to cause cancer, birth defects or other reproductive harm.
