Showing 1-30 Start your review of Skylanders Giants: Master Eon's Official Guide Skylanders Giants is the second game in the Skylanders franchise. It was released in 2012 where the new characters are the Giants-The first Skylanders each in existence, approximately 3 times larger than a normal Skylander in the game, and the most powerful Skylanders in history. In this book, Skylanders Giants Official Guide, will give you tips and tricks to improve your skylanders, level them up even more, and even complete the game faster. I gave this book four stars because it made me able to upgrade Skylanders Giants is the second game in the Skylanders franchise. I gave this book four stars because it made me able to update and level up my skylanders even more, but in the meet the Skylanders chapter, Jet Vac's stats were actually Ninjin's stats when it wasn't supposed to be. And, in Jet Vac's paternal review, Flying Corkscrew's image was exchanged with another update. One question I still had was how did King Arkeyan have the Iron Fist of Arkus? ... More than May 20, 2015 AwesomeGuy99 rated very well This book is a very good guide to the game, giving tips and tricks, an information about each character. When I'm stuck in the game, I usually look at this book (or the ultimate guide) to get through the levels.
