Chaos faction 2 unblocked at school

A fantastic array of wacky objects and weapons that will allow you to take out the opposition; Everything from boxing gloves and bloopis to black holes and teleporter rays. In order to take a weapon, just run into it. The weapons are displayed in brown boxes. Grab as many power-ups as you can to stay in the top! Here are some: (Red Cross) - Restores 50 percent of your health, (up arrow) - Jump increases height, (heart) - gives you extra life, (Yellow Cross) - Restores full health and (star) - makes you indestructible! For deathmatch games, you can go to the settings menu and change the amount of weapons boxes and power ups that appear per minute – and then the Weapons Customized section. Well, time for some outrageous aerial antics and intensely awkward shoot-out! Get ready! Select your character - move like a ninja, shoot like a sniper, get the job done and have a blast! If this Flash-based game no longer works on IE11 or Chrome browser on your PC/Mac, try playing firefox browser with Adobe Flash Player install. established.
