Dead Target Mod APK is a game that is set in 2040 after the negative effects of World War II hit the planet. The planet has completely changed and become unpredictable, and now it has filled with fear and terror because it is not safe to live. All countries began sending their firearms to another territory and the fighting escalated at the country's borders. Along with this, the dangerous virus has also been released in some countries, which spread rapidly through the air and consume thousands of people daily. Your task is to prevent the total inhalation of humanity and unite with the remaining survivors in the fight against the Zombies clan. The game provides many advanced technologies of weapons and servers through which you can connect with other players who are online and join each other in this epic shooting zombie challenge where the fate of humanity lies in your hands. -&Key Features of Dead Target Mod APK Key features offered by Dead Target Mod APK are listed below in the form of bullet points: * Survive the apocalypse * Over 20 Types of Zombies * Advanced Weapons * Battle Awesome Bosses * Offline Version * Intense Leader Board // Download Click on website Link Given DownloadDEad Target Mod APK.
