Seventy-five-year-old Jimmy Pritchard is a shell of his former self. A drinker, a womanizer and a father who always put work in front of the family, Pritchard was forced to resign as L.A. County Sheriff for corrupt conduct more than a decade ago. Now, about 15 unfriendly years later, he is killed when he stumbles upon a robbery at the home of FBI agent Duval Pritchard, one of his three children. But death is surprisingly short for Jimmy, who is brought back to life by billionaire tech-genius twins Mary Goodwin and her brother, Otto, the founders of the social networking empire, Lookingglass. Resurrected as a younger version of himself, with physical abilities that he never dreamed of, a reanimate Pritchard gets a second chance in life. What will he do about it? Will he seek revenge against those who killed him? Will he try to repair the damage he did to his family? Will he embrace a new sense of purpose or fall prey to old temptations? (a guide for titles and air dates) Last Updated: Tue, 5 May 2020 1:00 Haunted by some bad choices in his life, a 75-year-old former sheriff is revived into an experimental super-human body by a pair of young tech geniuses who hope to use their cells to cure cancer.
