English Spanish Our mission mission of the Caldwell County Assessment District is to locate, list and evaluate all property located within the boundaries of the area in an accurate, ethical and impartial manner in an attempt to assess the market value of each property and achieve uniformity and equity between the classes of properties. This will be achieved by maintaining the highest standards in appraisal practice and law, guided by the purpose of providing quality services to taxpayers and tax-free organizations, as well as by the development of professional and knowledgeable staff. The district does not set tax rates. Tax rates are set by each individual tax authority. Google Earth Info Download our KML property parcels file that can be used in Google Earth. Best practice after adding parcels to Google Earth. Turn off the packages the first time You open Google Earth. Then zoom in somewhere nearby, like Lockhart or Luling. Then turn on the parcels. If you leave the parcel turned on with the opening screen, it will slow down Google Earth. Update: 04-29-2020 Copy the CMH file to the DOCUMENTS folder on your computer. Open Google Earth Pro If you already have a Parcel map in Google Earth Pro and then delete this file. Go to file - Open and select a file called CaldwellCountyKMLMap_date... This will put it in a temporary folder in Google Earth Pro Right click on this new folder and select Save My Places there are bookmarks for communities that quickly move the map to that area when you double-click. After completion, A useful hint of an uncheck box to the left of Caldwell CAD to turn off parcels. This will allow Google Earth to download faster. Then double click on one of the city's names and you zoom in before that city. Then click on the field to the left of Caldwell CAD to turn on all parcels again. You can also use Google Earth from the Internet using Google Chrome here: Google Earth Pro link to download. This program is now free. GEPFREE License Update: 03-31-2015 Caldwell County Road Map.
