Infinite campus pickerington

NEW STUDENT 2020-2021 ONLINE REGISTRATION Please use the link below only if your family has never had a child enrolled in the Pickerington Local School District. ONLINE REGISTRATION LINK: New Family Online Registration Form Existing families are the ones that are a student currently enrolled in our district. These families may not use the online registration link in advance. Instead, existing families must register students by logging into their Endless University Portal account. KINDERGARTEN REGISTRATION - Begins On Wednesday, March 11, 2020 GRADES 1 - 12 REGISTRATION - Starts on Monday, May 4, 2020 (DO NOT APPLY BEFORE REGISTRATION DATE) IMPORTANT: If you have problems logging in, please do not call the child's school. Instead, please fill out the online Help Desk request by clicking on the following link: PLSD Help Desk Description: Infinite Campus serves as a district SIS (Student Information System) that includes teacher grade books, attendance reporting and student demographics. Infinite Campus (also known as IC) serves as a key reporting tool for the district's EMIS department reporting on many of the data points to the State Department of Education. Infinite Campus also uses a district-wide messaging system, including email, text and phone calls. What it uses: Educators on the Infinite Campus primarily use gradebooks, attendance, discipline, state and state test scores. All industries and all building messaging system. Direct link (URL): Teacher/admins Login - or via Classlink Launchpad Parent Portal - Student Login - or with Classlink Launchpad Status / Do It Down Site - Not Available As Teachers/Administrators Log In: All Employees Will Receive Email from Data Department with Their Usernames and Passwords. How students apply: Students in Grade K-4 do not have their own student accounts. Primary school students' grades can be tracked through the Parent portal. Students in grades 5-12 who have never logged into a portal account should use the following step-by-step instructions to create student portal accounts: Log in to the portal Enter the student's username and password. The original username is the student's identification number (lunch code) The original password is the student's name (as indicated in the endless town with the first letter in capital letters) and the first three letters of their month of birth (the first letter is capitalized) and the numerical date of the birthday and the four digits of their year of birth. Please note that diley and harmon in high schools password is the student's name, as indicated in Infinite followed by the student ID number. Example – a student named Billy Smith, the official name of William, student ID 123456, and the birthday June 5, 1998: Username: 123456 Password: WilliamJun51998. For a Harmon/Diley student, the password would be William123456. Once logged in, students will be forced to change their password and enter the email address of the password retrieval in case the password is forgotten.
