## Linksys ac1200 max wifi range extender setup

Top critical reviews All critical reviews Dan Dreifort 1.0 of 5 stars Big esoteric problems. For hours of my life I'll never come back. Reviewed in the United States on July 12, 2016 lowered this from five stars to one star for good reason. People can't use Netflix on their android devices while on my Wi-Fi network for over a year. I have spent hours on my phone with Netgear (the manufacturer of my modem router), Netflix, Google/Asus (my Internet provider). I also spent time researching myself. A few days ago, I finally found the culprit; This is linksys's extender range. As soon as I remove it from the network, Netflix works again. Sure, after doing two different firmware updates, I can now use this range even wider, but I will never have that frustrating hour back. I appreciate my time, and Linksys has stolen it with crappy products. The original glowing review follows.------Unlike piece of junk he replaced (netgear powerline 500) Linksys is very good. Plug it in and play awesomeness. Two complaints: As far as I know, it MUST be on the same channel as the AP that feeds it. Why?! This automatically changes when I change the AP channel. In addition, it uses a very wide part of the spectrum, so that it overlaps other nearby channels. (Source: I use a spectrum analyzer.) BUT: none of those seem to have a negative impact on performance; it works perfectly and is very easy to set up. © 1996-2015, Amazon.com, Inc. or its affiliate The Linksys AC1200 Max Wi-Fi Range Extender, RE6500 is the latest range extender from Linksys with 802.11ac technology. It allows you to repeat wireless signals from any access point or router to provide Internet connectivity in hard-to-reach areas via a wireless connection on a 2.4 GHz or 5 GHz frequency band. Power/WPS Front Panel White Flashing Status LED - When the extender is powered ON, being reset to factory default, upgrading firmware or WPS connection is in progress White paper - When the extender is ready to use or wps connection is successful Blinking amber for two (2) minutes - When the extender cannot establish a connection or experience problems the Rear Panel Audio Port - Connect the headset or 3.5 mm speaker to the ExtenderGigabit range - Four (4) ports to connect the wired device to your wireless network using an Ethernet cable (network). A green light is on when an Ethernet device is connected and active on this port. Light flashes when the extender sends or receives data via an Ethernet port. Wi-Fi Protected Setup button™ - use WPS technology to automatically and securely add a wireless device to your NetworkPower port - connect the device's power adapter to this port and plug it into a power outlet. NOTE: The European version of device has a power switch. IF YOU DO NOT ACCEPT THE TERMS OF THIS AGREEMENT AND PURCHASE PRODUCTS CONTAINING SOFTWARE FROM AUTHORIZED RESELLERS, RESELLERS, OR APP STORES (AS DEFINED BELOW), YOU MAY BE ELIGIBLE TO RETURN THE PRODUCT FOR A REFUND, IN ACCORDANCE WITH THE APPLICABLE RETURN POLICY TERMS AND CONDITIONS. IF YOU ARE LOCATED IN THE UNITED STATES, THIS AGREEMENT CONNECTION WITH RESOLUTION AND ARBITRATION TERMS IN SECTION 17, INCLUDING CLASS ACTION WAIVERS AFFECTING YOUR RIGHTS IN CONNECTION WITH DISPUTES YOU MAY HAVE WITH BELKIN. YOU MAY REFUSE ARBITRATION AND WAIVER OF CLASS ACTIONS AS IN SECTION 17. The Software is licensed to you by Belkin and, where applicable, by Belkin's suppliers. The Software means any and all firmware programs and and provided in connection with the Product; any and all software programs, applications or applications or applications of the program, and all copies of such programs and files. The Software does not include Open Source Software (as defined below). By you, we mean the buyer, recipient or end user of any other software, recipient or end user of the Software independently. You may also mean someone who has downloaded the Software from an authorized website, such as or from an authorized market or app Store, such as the Apple App Store or Google Play (each of these app or store markets is referred to in this Agreement as the App Store and collectively as the App Store). 1. LICENSE GRANTING. Belkin hereously grant you the right to use: (i) where your Product is not a Small Medium Business or SMB branded Product, for your personal or commercial use; a copy of the Software in the form of object code on a device that you own (or, in the case of firmware, one copy of the firmware in the form of object code on a device that you own (or, in the case of firmware, one copy of the firmware). As part of this license, you may (A) operate the Software in the manner described in the user documentation for the Software; (b) where the Software is provided for download to personal computers or mobile devices, making as many copies of the Software as you need for your own use (this does not include firmware); and (C) permanently transfer all of your rights to use the Products (including but not limited to software) to others, as long as that person also agrees to be bound by this Agreement, and after such transfer you stop using the Products and Software on the Support page of belkin's applicable website. 2. LICENSE RESTRICTIONS. The Software is provided to you under a limited license only as set forth in this Agreement. You have a non-exclusive right to use the Software in accordance with this Agreement. However, you may not (i) modify, adapt, or create derivative works of the Software, Products containing the Software or user documentation (except as permitted by the applicable open source license); (ii) lease, sublicense, resell, lend, redistribute, or transfer (except as expressly permitted above), whether for commercial or other purposes, the Software or user documentation; (iii) reverse engineer, disassemble, decrypt, or decompile the Product or or attempt to reduce the Software to a human-readable form, except if and only to the extent such activities under the terms of an applicable open source license; (iv) remove or modify any copyright, trademark, or other proprietary notice contained in the Software or user documentation; (v) use user products, or in any way not specified in this Agreement or user documentation; (vi) if the Software is a firmware, copy the firmware (other than one backup copy for archival purposes only), use it on a multi-user system or operate separately from the embedded Product; (vii) use the Software viruses or other malicious computer code, files, or programs, or to avoid, disable, or interfere with security-related features of the Software; (viii) use the Software to collect or harvest the personally identifiable information of any third party, to send unauthorized communications or to invading the privacy rights of any third party; or (ix) use the Software for unlawful purposes, and/or in any way in violation of this Agreement. All rights not expressly granted to you by Belkin under this Agreement are reserved by Belkin. You will not acquire such rights, either through estoppel, implications, or others. 3.APP SOFTWARE RESTRICTIONS. If you have downloaded the Software from the App Store, you are also subject to the terms of use of the App Store. These terms of use may prohibit you from doing some of the things you are permitted to do under this Agreement. In addition, the application of the App Store terms of use may result in other provisions of this Agreement not applying to the Software or applying in a manner different from the countries of this Agreement. If your use of the Software is subject to the App Store terms of use, then in the event of a conflict or ambiguity between the terms of this Agreement and the terms of use of the App Store, the App Store terms of use will govern, but only to the extent necessary to resolve such conflicts or ambiguities, and the terms of this Agreement shall remain in full force force effect. Notwith other than anything contrary to this Agreement, by using the Software, you acknowledge and agree that it is solely your responsibility to understand the terms of the and any App Store terms of use that may be relevant to the Software or Products. If this Agreement relates to Apps downloaded from the Apple App Store, the terms in the attached Apple Rider will also apply to you. 4. UPGRADES AND UPDATES. While Belkin is not obliged to so, Belkin may provide you with upgrades or updates to the Software. This Agreement will govern any upgrades provided by Belkin that replace and/or supplement the original firmware and/or Software, unless such upgrade is accompanied by a separate end-user license agreement, in which case the terms of such end user license agreement will apply. If you decide not to download and/or use the upgrades or updates provided by Belkin, you understand that you may harm the Software against serious security threats or cause the Software to become usable or unstable. Some Products include an automatic updating feature, which gives us the ability to update automatically. You can change the automatically, regardless of the automatic updating settings. For example, we may provide automatic updated that fix security breaches or vulnerabilities to your network. We may also provide you with automatically updated Software data files to benefit you, such as providing you with updated device information to identify new devices on your network. This data file does not update your firmware but consists of Software files that are cached in your Product and overwrite older files. By agreeing to this Agreement, you agree to automatic updating, 5. DATA AND PRIVACY. Belkin is committed to protecting your privacy. Our goal is to provide you with a positive experience when using our apps, products and services, while at the same time keeping your Personal Information, as defined in the Belkin Privacy Policy, secure. Our privacy practices are described in the Privacy Policy, as well as in separate notices provided when an app, product or service is purchased or downloaded. At any time your information will be treated in accordance with Belkin's Privacy Policy, which is incorporated by reference into this Agreement and can be viewed here. 6. OPEN SOURCE SOFTWARE. You here you here i.a. acknowledge that the Software may contain Open Source Software. This license does not apply to the Open Source Software contained in the applicable Open Source Software license will apply to the Open Source Software. Nothing in this Agreement limits your rights under, or grants you the right to replace, any Open Source Software license. You acknowledge that the Open Source Software license is solely for you and the applicable licensor of the Open Source Software. You must comply with the terms of all applicable Open Source Software licenses, if any. The licensing and copyright information for the Open Source Software is disclosed in the Product documentation, in the Support tab on belkin's website and in the Contact Us section of the Linksys website.
