Page 1 of 50 - About 500 essays Date presented: 29/05/2004 17:42:28 Category: / Duration of history: 2 pages (522 words) Freedom Rides The Freedom Rides were organized by congress for racial equality (CORE) to test the effectiveness of a 1960 Supreme Court decision, Boynton V. Virginia, which prohibited racial segregation in public areas serving interstate travelers. On May 4, 1961, a small interracial group of CORE members traveled on two buses to challenge segregated toilets to the south, waiting rooms, and restaurants in bus terminals between Washington, D.C. and New Orleans. (Mont 1). Mother's Day, ... Is this essay useful? Join now to read this particular document and access over 480,000 just like this GET BETTER GRADES... The Freedom Riders may not have finished their journey, but they have made an important and lasting contribution to the civil rights movement. Although the Freedom Rides were long ago, this Veterans Day people across the country will gather in Jackson, Mississippi to pay tribute to these brave American sons and daughters whose selfless acts of courage helped pave the way for others to continue on the path of civil rights in America. (Lisker 3). Need a custom written sheet? Let our professional writers save you time. A group of people risked their lives to achieve equality for Southern African Americans. The Freedom Riders were a group of about 13 people. Most of them were African-American, but there were always some white-skinned people in the group. There wasn't a set leader for the Freedom Riders. The Freedom Riders drove interstate buses in the South of the United States. The South was listed as the most segregated part of the United States. The main goal of the Freedom Riders was to break up and become separate but equal. They had also decided to challenge the Jim Crow Laws. The Freedom Riders have had little help from two court cases: Irene Morgan against. Commonwealth of Virginia and Boynton v. Virginia. These court cases established that it was... shows more content... They were arrested and found guilty in three different court appearances. In the Wichita and Oklahoma City Sit some sat at a lunch counter and some sat in a drug store called Dockum Drugs. Sit ins left some of the Freedom Riders seriously injured, and rider Jim Peck left the hospital with 53 stitches. The Whites who were not associated with the Freedom Riders hated their actions and beat them until they were almost dead. Jim Peck was extremely lucky to get out alive. Just because they were beaten, injured and shredded didn't get furnished meant so much to them to become equal. Sit-ins have been a great success in a way that has caused widespread diffusion of the integration of public places. Some INS sit were so dramatic that every place around them got rid of segregation. The sit-ins in Nashville and Greensboro have launched a wave of sitting all over the South and has opened up a national awareness of segregation. After most sit in the place integrated. Sit-ins have been very successful in integrating the South. The Freedom Riders used another tactic of non-violent protests. The Freedom Riders on their bus sat there and counted on racists to provoke a reaction. CORE director James Farmer said: We felt we could count on southern racists to create a crisis so that the federal government would be forced to enforce the law. The Riders began to face little resistance. You didn't know what you were going to meet. Thesis for freedom writers Free essays - StudyMode thesis for freedom writers.
