# St john's lannon school calendar

It is our intention to develop each student's spirit by strengthening aspects of Christianity learned in the classroom and applying it to a competitive spirit, sportsmanship, and fair play. We want all students to glorify their Lord using the gifts He has given them. Running in such a way is to get prizes. Everyone who competes in the game goes into rigorous training. They do it to get a crown that won't last; but we do it to get a crown that will last forever 1 Corinthians 9:24-25 PLS sports fixtures can be found on the school calendar. Also, if you want to see how our school teams are doing, you can visit the league's website and see the scores and profiles of our team and other teams in our league and information for tournaments held at KML. Opened on Sundays since 1862, we would like to note! German immigrant farmers worshipped and educated Christians as a high priority when they moved to the area in the mid-1800s. St. John's was established to serve those who are moving into the area. Originally part of the Buffalo Synod, St. John's developed through the merger that created the American Lutheran Church and the Lutheran Evangelical Church in America (ELCA). The outstanding history of St John's Parochial School taught students until 1944. Christ Lutheran in Jackson was started as a 'daughter' church in 1899. German was the exclusive language in worship until 1937. Fourteen sons and daughters of the assembly became full-time pastors or associates in office. Historic Building Our Gathering Space was part of the new church building in 1952. The parish hall was an addition in 1988. A new sanctuary and entrance was reserved for All Saints Sunday 2003. St. John has been blessed with faithful members, friends, and pastors for over 150 years!
