It also has arcade, training and multiplayer modes. Gameplay [Edit Source Edit]] Splashdown: Rides Sarah Wilde returns the same gameplay in the prequel but the gameplay itself features a career mode that gives players points that the winning race can use to upgrade items or buy new ones. It also has arcade, training and multiplayer modes. On the bright side, Ride Sarah Wilde plays almost identically to the original Slashdown. All the little things that made the first title great are intact: outstanding water physics, a sense of immediate, finesse processing, various processes and, in it, an impressive set of secret passages.
