According to the police side, the first fact was recorded in the stretch of the main road between the villages La Campo and Santa Elena, sector of Jutiapa, Jamastrán, Danlí, El Paraíso, where the bodies of two animal hunters were surveyed. According to the report, on Sunday at around 12:30 noon, the bodies of Naomis Jeremiah Muaoz Valladares (30), resident of the village Las Mangas, Jutiapa and Miguel Antonio Erazoarte (26), resident in The Plots village, Jamastrán, who was originally from Santa Rosa de Copán, were found. Early investigations determine that the occisos died homicidalally, so the opinion of the autopsy is intended to determine the true cause of his death. Information collected by authorities indicates that Muñoz Valladares and Erazo Duarte left at about 7:00 p.m. Saturday night aboard a motorcycle, believed to be intentionally hunting animals. But last Sunday, several citizens warned relatives that both hunters were found dead at the aforementioned location. Early police investigations show that both deaths would have been committed because hunters allegedly objected to being attacked by strangers. The body of coffee grower Rafael González Cáceres (pictured) yesterday claimed his relatives. THIRD VICTIM Coincidence, a few kilometers above where two bodies were found, police were informed that coffee grower Rafael González Cáceres (40), with residence in La Lodosa village, danlí, El Paraíso, was also found dead violently. Police side news that González Cáceres was driving a white pickup vehicle in La Campo village to get insecticides when he was intercepted by strangers who killed him. The motive for this fact would have been the result of an attack, a hypothesis confirmed by researchers who moved to the industry where the events occurred. REMOVE CADÁVERES relatives Naomis Jeremiah Muñoz Valladares (pictured) and Miguel Antonio Erazo Duarte also claimed their bodies of three people were transferred from the eastern zone to the capital's morgue to carry out the relevant sections. The forensic site determined that three men died as a result of being shot several times in different parts of the body, with a firearm of unknown caliber. The relatives of three people came to the morgue's property to recover their bodies and give them a Christian burial. Yesterday afternoon, judicial officers handed over the bodies to their sad family members who took the bodies in the eastern area.
