Have online classes of tests? Not all online classes have proctor exams. But if they do, online students may need to visit a local test site, with a proctor on the site. They can also find virtually monitored exams online, where a proctor watches via webcam or where computer software discover cheating by checking the test recorders' screens Are online classes easy? Online classes are no easier than classes offered in the traditional classroom environment and in some cases may be even more difficult. There are several reasons for this. Online courses require more self-motivation. It can be difficult for some students to stay motivated when they'd rather do something else. Can I get a degree online? To get a degree online, research on the Internet to find an online course in the topic you want to study. For example, you can study at an established university that offers online courses for from state students. Alternatively, try to explore what online universities offer. Are online courses any good? After all, taking an online course of a large brand business school does not require weeks or months of study for a standardized test. You can do this without stopping your work or making long sacrifices of time from your family. And it only costs a fraction of what you would pay in a full or part-time MBA program, or for that matter, an online MBA or Executive MBA program. Page 2 Has online classes of tests?
