About the New England Institute of Technology New England Institute of Technology (NEIT) is a private university with its main campus in East Greenwich, Rhode Island. Founded in 1940, it operates in a program of four quarters per year to ten weeks per quarter. The New England Institute of Technology offers Associate Diplomas, Bachelor's, Master's degrees and Online degrees in more than 50 programs. People asking about The Neit Technet's Login Is Accredited by New England Tech? NEIT is accredited by the New England Commission of Higher Education (formerly the Commission of Higher Education Institutions of the New England Association of Schools and Colleges, Inc.). When and where do my classes meet? If you choose the course option on campus, your course will meet at night once a week from 6:30 pm to 10:00 pm. Classes usually take place on the main campus in East Greenwich, RI. How long should it take to complete my program? To complete the graduation requirements in the shortest possible time, you must take the courses described in the prescribed curriculum. For a typical six-period curriculum, the student can complete the requirements in just 18 months. Do I need to maintain a certain average of points? Yes. You are required to maintain an average cumulative degree points of at least 3.0 throughout the program. The minimum approval score for a course in the MSCD program is C (73%).
