Animal unscramble worksheet answers

Children will love learning with this printable animal of scramble spreadsheets from Africa. The challenge is to unscramble the letters of each African animal and spell it correctly on the line. The images of each animal provide useful clues for children to know what they are trying to unscramble. This spreadsheet is good to help support early spelling skills. Find more teaching resources The animal name on this spreadsheet is a mess! Children unscramble reptiles and bird names, then use marked letters to unscramble the name of an additional reptile and bird. This interesting spreadsheet helps children practice spelling the names of reptiles and birds, and raise their awareness that animals can be grouped into categories according to similarities and differences.
